New Orleans, Louisiana - May 08, 2023 - PRESSADVANTAGE -

New Orleans, LA - Lagniappe Chauffeured Services, a leading transportation company in New Orleans, is excited to announce the introduction of luxury amenities to their fleet of vehicles. The company is now offering built-in bars and entertainment systems in their limousines and party buses, providing an elevated and luxurious travel experience for their clients.

With the addition of these amenities, Lagniappe Chauffeured Services is positioning itself as the premier limo service in New Orleans, catering to the needs of clients who demand nothing but the best. The built-in bars feature a range of premium spirits and mixers, allowing clients to enjoy a cocktail or a glass of champagne while en route to their destination. The entertainment systems include high-end audio systems, large flat-screen TVs, and even gaming consoles, providing a wealth of options to keep clients entertained during their rides.

"We're thrilled to be able to offer these new amenities to our clients," said Robert Daspit, CEO of Lagniappe Chauffeured Services. "We understand that our clients demand the very best in luxury transportation, and we're committed to delivering on that expectation. With the addition of built-in bars and entertainment systems, we're confident that our clients will have an even more enjoyable and memorable experience when they choose our limo service in New Orleans."

The introduction of these luxury amenities is part of Lagniappe Chauffeured Services' ongoing commitment to providing the highest level of service and comfort to their clients. The company has a reputation for excellence in the transportation industry, offering a range of services including airport transfers, corporate

transportation, and event transportation.
