

The Alfresco Factory Offers Affordable Pizza Ovens in Perth

May 08, 2023

May 08, 2023 - PRESSADVANTAGE -

The Alfresco Factory, formerly known as Alfresco Wood Fired Pizza Ovens, is proud to announce its expanding range of wood-fired ovens. The company has been manufacturing high-quality wood-fired ovens for nearly two decades, establishing a reputation as one of the best in the market. Based in Perth, Australia, they have made it easier and more affordable for locals to enjoy the traditional art of cooking with their newly offered affordable pizza ovens.

“The new range of pizza ovens is perfect for those looking for an affordable and convenient way to experience the traditional taste of wood-fired pizza in their own backyard,” said Jonelle Lowe, the owner of The Alfresco Factory. “The ovens are easy to use and come in a variety of sizes to accommodate different cooking needs.”

The Alfresco Factory’s pizza ovens - pizza ovens Perth are crafted from premium materials that guarantee long-lasting performance and sturdiness. These versatile ovens can prepare an array of dishes, ranging from pizza and bread to delectable desserts and succulent roasted meats.

With the expanding range of wood-fired ovens and cooking accessories, the team wants to provide the customers with everything they need to create the perfect outdoor kitchen, said Jonelle Lowe. Team members are committed to providing affordable, high-quality products that make it easy for anyone to enjoy the art of wood-fired cooking.

By offering exceptional value without compromising on quality, the Alfresco Factory has earned a reputation as a reliable player in the wood-fired cooking industry. Through their ever-growing selection of offerings and unwavering focus on meeting customer needs, they are well-positioned for sustained success in the years ahead.

Team members are excited to share the passion for wood-fired cooking with the customers and provide them with the tools they need to create memorable meals with their friends and family, said Jonelle Lowe. Team members are always looking for ways to improve the products and services and are committed to delivering the best experience possible.

The Alfresco Factory's pizza ovens are available for purchase online, and they ship all over Australia and the world. Customers can also visit their factory and showroom in Neerabup, Perth to see the ovens in person and get a firsthand look at the manufacturing process.
