May 08, 2023 - PRESSADVANTAGE -

Tacoma, WA - Goodfella's Motor Company, Tacoma's favorite used car dealership since 1999, is proud to announce the launch of their new line of high-quality used cars. With this new product line, Goodfella's offers customers an affordable option to purchase a reliable and safe vehicle that fits their budget.

The new line of used cars features hand-selected vehicles from significant makes and models thoroughly inspected by a third-party service company. Goodfella's spends an average of \$700-\$3,000 on each vehicle to ensure they are in top condition for resale. Customers can have peace of mind knowing they are purchasing a car that has passed a comprehensive 99-point inspection.

"We are excited to launch our new line of used cars and provide our customers with a high-quality, affordable option for their transportation needs," said John Smith, Goodfella's Motor Company owner. "Our focus has always been on providing exceptional customer service and offering vehicles we stand behind. We are confident that our new line of used cars will be a great addition to our dealership and provide our customers

with even more options."

Goodfella's Motor Company's new line of used cars is perfect for people who want to save money without sacrificing quality. The target audience for this product line includes people who live in Tacoma, WA, or nearby cities and appreciate cars that can get them from point A to point B on a budget.
