A recent review compares Trash Panda Dumpsters with its competitors by saying, "If you find yourself in need of a dumpster rental, I highly recommend Trash Panda Dumpsters! Customer service and communication were top-notch! The easiest rental I've ever done! Great price! The dumpster itself is really clean and nice looking (trust me I've rented some ugly dumpsters that had the neighbors grumpy with me!) They even put wood down to protect my driveway. I have rented, easily, a dozen dumpsters over the years as a homeowner from multiple companies. I won't be looking anywhere other than Trash Panda again."

Another recent review says, "Trash Panda Dumpsters is phenomenal! They are easy to work with and very professional. Through drop-off and pick-up, the process went smoothly making it a great overall experience!"

Plus, the dumpsters actually look nice (pretty color and great logo!). All of this is why I picked them and not some other trashy dumpster place. They are my go-to for all future dumpster needs!?
