

Proactive Healthcare Staffing Launches to Provide Top-Tier Staffing Solutions for Healthcare Companies

May 09, 2023

May 09, 2023 - PRESSADVANTAGE -

The launch of a new brand in The Greater Washington and Oregon Area by Proactive Healthcare Staffing, formerly Eastside Healthcare Staffing, is official. With over a decade of experience in the healthcare staffing industry, Proactive Healthcare Staffing is equipped to provide the highest-quality staffing solutions to healthcare companies.

Proactive Healthcare Staffing is dedicated to providing healthcare companies with the best possible staffing solutions by employing highly trained and experienced professionals such as RNs (Registered Nurses), LPNs (Licensed Practical Nurses), CNAs (Certified Nursing Assistants), and Med-Aides. This ensures that healthcare companies have access to the most qualified staff available. In addition to offering temporary, contract-to-hire, and direct-hire staffing solutions, Proactive Healthcare Staffing also provides healthcare companies with the flexibility needed to meet staffing needs.

Michael Schneider, the owner of Proactive Healthcare Staffing, expressed excitement about the launch, stating that "the team at Proactive Healthcare Staffing is thrilled to bring industry expertise to healthcare companies in The Greater Washington and Oregon Area. The team understands the unique challenges that healthcare companies face in today's fast-paced environment and are committed to providing the highest quality staffing solutions available to help meet staffing needs."

Proactive Healthcare Staffing benefits healthcare companies, including access to highly qualified professionals, flexible staffing solutions, and exceptional customer service. Healthcare companies partnering with Proactive Healthcare Staffing can rest assured that the company is committed to providing the best possible staffing solutions.

"Launching Proactive Healthcare Staffing marks the company's dedication to delivering top-tier staffing solutions, empowering healthcare companies to elevate patient care and industry standards in the Greater Washington and Oregon Area." - Sandra Namwase, RN, BSN, CEO of Proactive Healthcare Staffing.

The launch of Proactive Healthcare Staffing marks an important milestone for healthcare staffing in The Greater Washington and Oregon Area. Proactive Healthcare Staffing is poised to become a leader in the healthcare staffing industry with a commitment to providing top-tier staffing solutions to healthcare companies. Healthcare companies looking for highly qualified staffing solutions need not look any further than Proactive Healthcare Staffing.

In addition to the core services, Proactive Healthcare Staffing offers a comprehensive range of staffing solutions to meet the unique needs of healthcare companies. Services include medical assistant staffing, licensed practical nurse staffing, registered nurse staffing, and nurse practitioner staffing. With experience and dedication to excellence, Proactive Healthcare Staffing is well-equipped to help healthcare companies meet staffing needs.

Proactive Healthcare Staffing understands that healthcare companies face unique challenges when it comes to staffing and is committed to providing the best possible staffing solutions to meet those challenges. With an experienced staff and a comprehensive range of staffing solutions, Proactive Healthcare Staffing is poised to become a leader in the healthcare staffing industry.

Don't hesitate to contact the company for more information about Proactive Healthcare Staffing and the services offered. The experienced team can always answer questions and provide healthcare companies with the highest-quality staffing solutions.
