

Golden Grace Pets Choice Announced New High Quality Grooming Brush For Pets

December 09, 2015

December 09, 2015 - PRESSADVANTAGE -

Assisting people to choose right kind of pet brush, Golden Grace Pets Choice, a preferred online shop for pet lovers, has announced its new product, a grooming brush for pets that is being sold under their pet grooming, nutrition and training category of products.

Those who love pets know well how pet grooming is an essential task to build and maintain a good bond with pets at home. Routine brushing is always recommended and sometimes pets need a more frequent brushing, especially when they have a soft curly coat. Removing the loose hair also appears to be a tricky job in absence of a good brush. Hence, the choice of a right kind of brush is vital for the best pet grooming. Golden Grace Pets Choice recently announced its new offering, a grooming brush that will be suitable for dogs, cats, horses, etc.

Making the announcement, company officials said that this is a new addition in their already impressive list of pet supplies which lists cat litter bags, dog toys, bird feeders and absorbable training pads etc. "We believe that a selection of the right pet supplies is extremely important for the well-being of your pets and hence, we bring the best products of the most reputed brands of the industry for our esteemed customers," they said.

Concerning the features of their newly announced product, it was told that their latest product has bright features which beautifully suit the needs of pet lovers. As reported, these grooming brushes are double sided and ergonomically designed with best hand grip that moves flawlessly from one end to the other. Further, talking about the benefits they said that it has a coarse pin side that helps to break up the coat by removing all the loose hair and debris pretty effortlessly and a bristle side which adds a desired finishing to the coat. "The bristle side also helps to give a silky touch to a tangle-free coat and makes your pets look really lovely," they added.

As told, this grooming brush can be used for dogs, cats and horses, irrespective of their hair length, removing any need of separate grooming for different pets. The online pet lovers' store also offers quality products that facilitate pet training and nutrition so that those who have recently added a new member in their household

face no problem at all.
