?Our inventory is twice the size of any of our competitors,? says Jonathan Rocha, company president. ?Summertime is the perfect time to try out our water slides. They are a huge hit for any event.?

Heart of Texas Party Rentals offer inflatable water slides of a wide variety, including giant slides, slip and slides, and tropical themed slides. Slides are fun for kids of all ages. Each slide is high quality, and they are delivered cleaned, sanitized and 100% ready-to-play. When searching for water slide rentals waco tx, Heart of Texas Party Rentals has it all.

?Water slides are a great attraction for parties because they are just so fun,? says Rocha. ?They aren?t as much hassle as a pool, are designed for safety, and are exciting for kids of all ages.?

When renting a water slide, the Heart of Texas Party Rentals team will arrive a few hours before the start of the event. They will set up the slide on a flat, even surface free from sharp objects and debris. Grass, concrete and asphalt are great options for the water slides. Party goers will need a water source for the slide,

but outside of that, everything needed will be provided. When it?s time to clean up, the team will arrive and safely dismantle the slide and remove it from the property. The whole process is easy and convenient.

?Our friendly staff is available to help and answer any questions you might have about the inflatables,? says Rocha. ?We don?t leave until you are 100% comfortable with everything.?

The water slides range from $100 - $300 depending on the size. The standard slide is 10Ft tall, while the largest is 30Ft. 10FT slides have a singular lane, which is great for younger kids. The 20Ft slide has dual lanes, for up to 2 guests at a time. The 30 FT slide is an exhilarating activity that party goers are sure to love. This slide is for the daring, thrill seekers who love the feeling of their belly dropping as they plummet down a swift, slippery descent.

Water Slide Rental fees include delivery, set up, take down, cleaning and inspection of the inflatable. This takes the stress and hassle out of renting the inflatable. Each slide has a height and weight requirement, and staff will let renters know who should ride the slide.

?We don?t just have cool water slides, but we have everything you need to throw a memorable party,? says Rocha.

Heart of Texas Party Rentals offers concession rentals, such as snow cone maker and the margarita maker (which is a hit amongst adults). They also have logistical event supplies, including plates, napkins, cutlery, tents, heating lamps, and more. They can help customers choose the right rentals for their party, given the size, the event, and the overall goal for the customer.
