Whatever the holiday or occasion, they have a lighting solution that will make the occasion or celebration more intense and provide that familiar warmth to the location. The lighting services they can provide include: holiday lighting, landscape and patio lighting, permanent lighting, event lighting, and commercial lighting. Those who would like to know more about the company and their services can visit company website.

Jennifer Koepke, co-owner of Bling! of North Jersey says, "Our lighting design experts will help you choose the look and feel that is the perfect complement to your home or event. Utilizing our computer-based lighting technology, you can easily visualize and customize your project down to the finest of details. Innovation and customization at your fingertips? that's the Bling! difference."

They want to emphasize that their high quality and innovative holiday lighting installations can enhance how people celebrate the occasion. With their team of experienced lighting experts and their broad range of lighting options can allow them to create a unique and specific holiday experience for the client. They can

assure clients that they will use the best and most appropriate lighting technology to make the home or business shine brightly. Some of the most common holiday lighting requests they have received are for: Christmas, Valentine's Day, Hanukkah, Fourth of July, and Halloween. Those who are interested in knowing more about the outdoor lighting services Blingle! of North Jersey can provide will need to visit web site.

There are a number of factors that make Blingle! of North Jersey stand out among other outdoor lighting providers in the area. First is their innovative lighting technology and team of expert designers who can guide the client in selecting one from their pre-designed packages, or they can work with the client in crafting a customized outdoor lighting. In addition, through the application of their innovative design technology, the client will be able to actually visualize the specific design for the home or business before installation.

A second factor that makes them distinctive from other outdoor lighting providers in the area is their world class service. Bryon Koepke says, "From your design call, to install and take down, our cheery team of designers and installers are committed to providing you with world class customer service right here in East Hanover New Jersey to ensure an unforgettable holiday experience."

The third factor is their ability to provide outdoor lighting with lights that are twice as bright. The professional grade lighting products they employ in their installations are all designed to be seen from a long distance. Furthermore, the lighting bulbs have been designed to withstand extreme weather conditions.

Blingle! of North Jersey is owned and operated by husband-and-wife Bryon and Jennifer Koepke to offer premier lighting solutions to North Jersey. While Bryon comes from the suburbs of South Chicago and Jennifer came from remote area in southwest Kansas, they both fell in love with the honest and loyal culture of North Jersey. That is why they have a deep desire to give back to the community by providing reputable quality services for each of their clients in the area.

Jennifer says, "Community isn't just at the core of why we do what we do at Blingle!...it's the life and soul of our operations. Making events and spaces lively and bright isn't possible without a community dedicated to fellowship and a compassion for others. Our community members, neighbors, and friends coming together in the name of celebration and unity not only gives us business opportunities, but a chance to help turn your event or home into an unforgettable experience."
