May 12, 2023 - PRESSADVANTAGE -

Hampers by Design, the premier online gift hamper company, is pleased to announce that it has achieved a significant milestone of 60,000+ satisfied customers. The company, which is dedicated to providing luxurious hampers for family, friends, and colleagues, is based in Perth and has been in operation for over a decade.

Lee-Anne Chappell-Magditsch, Director of Hampers by Design, says, "Team members are thrilled to have reached this milestone of 60,000+ satisfied customers. It is a testament to the commitment to providing high-quality gift hampers and excellent customer service. The team believes that every gift should be unique and special, and they take pride in creating the perfect gift hamper for every occasion."

Hampers by Design has been able to achieve this milestone by offering over 200 unique products, top-quality packaging, and sourcing gourmet foods, wines, chocolates, and body pamper products from predominantly Western Australian producers/suppliers. The company has put together an extensive range of gift hampers and gift baskets, including Christmas Gifts, wine & alcohol gifts, gourmet food, mother and baby hampers, gifts for her, gifts for him, chocolate hampers, and Western Australian Produced gifts.

"The team understands that gift-giving is an art and a personal experience, and they aim to create a memorable and thoughtful gift for the customers," says Lee-Anne Chappell-Magditsch. "The team of experts curates each hamper with the utmost care, ensuring that every product is of the highest quality and that the presentation is visually stunning."

Hampers by Design is committed to giving back to the community and supports local charities, educational, and sporting groups to help raise much-needed funds. The company has won multiple awards for its business operations, customer satisfaction, and product design, making it a leader in the online gift hamper industry.

Looking towards the future, Hampers by Design is dedicated to continuing to provide exceptional service to its customers and expanding its product range to cater to the ever-evolving market. Lee-Anne Chappell-Magditsch notes, "Team members are excited about the future of Hampers by Design. They are always looking for new and innovative ways to create unique and personalised gifts for customers. The team believes that the commitment to quality and customer service will continue to drive the success."
