One customer, Karla, shared, ?We?ve used J&Z Dumpster Solutions a few times for various junk hauls and been extremely satisfied every time. Their communication is prompt and thorough. They do exactly what they say they?ll do, when they say they will. Their pricing is completely reasonable and aligned with market rates. Their customer service exceeds any expectations. I don?t even bother getting quotes any longer?I just call them and count on the job being done thoroughly and at a competitive price.?

Another satisfied customer praised the company's professionalism and communication, saying, "In the past I have had use for a dumpster and renting one was a nightmare from the phone call to order it, to the delivery to pick up. NOT so with J&Z Dumpster Solutions. Zack was very professional, pleasant and polite. He was very knowledgeable with what we would exactly need for our project. The rental cost was reasonable and fair. The dumpster was delivered at the specified time. I was a little surprised at how clean and well maintained it was. We ran behind on time and Zack was nice enough to give a day extension without any fuss. The dumpster was picked up when I was told it would be and I didn't even have to be at home. All in all it was a good experience and would definitely rent from J&Z Dumpsters again for our next major project. My husband and I would highly recommend J&Z Dumpsters, not just because we prefer to support Veteran owned business, but because it was a hassle-free experience.?
