

Levin Eyecare's Pikesville Practice Plans for Grand Re-Opening in New Location

May 15, 2023

Pikesville, Maryland - May 15, 2023 - PRESSADVANTAGE -

Pikesville, MD, Levin Eyecare announced today their plan to re-open their Pikesville practice to a new and improved building located at 3755 Old Court Road, Suite E, Pikesville, Maryland 21208. Levin's priority with the move was to find a nearby location and design it in a way that allows them to better focus on their patients and customers while delivering the best possible services and operational excellence.

"This new location brings new opportunities to better serve our community and meet the needs of our patients," said Dr. Richard Levin, the CEO of Levin Eyecare. "Our talented team of eye doctors - new and returning - will not only be able to see more patients and access the latest cutting-edge technology, but we will also be able to enhance the entire patient experience, including limited wait times."

Levin Eyecare's new Pikesville office will continue to offer ophthalmology and optometry services and allow their experts to take a more patient-focused approach. The office will feature state-of-the-art testing and treatment equipment, allowing their doctors to diagnose and treat a wide range of eye conditions more precisely. Introducing eight more exam lanes for an efficient flow, patients will also directly benefit from having to spend less time in the waiting room and more time with their provider. Likewise, the additions will

expand their doctors' availability, allowing them to increase time slots and ensure patients get the care they need when they need it. The office will also offer expanded eyewear space for fittings, allotted space for a brand-new optical area, and more accommodating exam rooms.

"We have a long history of bringing technology to the built environment and designing spaces that maximize the customer experience," said JSP Ventures Founder and Levin investor, Scott Plank. "Our partnership with Levin continues to allow us to do just that, the Pikesville location is an incredible addition to the region and allows our team to provide quality care to the community."

The Pikesville facility will introduce some new talent. Joining the practice will be Eric Walker, O.D.; Ericka Smith, an optometry PSR; and David Simmons, an optician. Richard Gruen, M.D, who serves patients in Levin's Eye Care Gruen Eye Center office will also join the new Pikesville location.

Levin Eyecare's soft opening will take place on May 16, 2023, where they will welcome patients through their doors. The Grand Opening and ribbon cutting ceremony will take place at noon on June 2, 2023. Guests are encouraged to attend alongside the practice's owners, investors, leadership, and community leaders.

About Levin Eyecare

Levin Eyecare is a multi-location optometry and ophthalmology provider serving the greater Baltimore area for over 17 years.
