The company has a variety of dumpster rental options to choose from, and now with this new online booking method, those options are easier to select. ?Everyone needs a dumpster eventually, and our goal is to make finding one easy and cost-effective without sacrificing quality,? Blue Dumpster Rentals owner Adam Peters said. ?Our company seeks to make life easier for everyone involved, and I?m confident our dedication to customer service and reliability will do just that.?

Blue Dumpster Rentals caters to several different types of clients searching for dumpster rentals Telford PA can depend on. These individuals range from business owners to contractors, homeowners, property owners, and construction companies. The company offers dumpster rentals in four sizes: 10-yard dumpsters, 15-yard dumpsters, 20-yard dumpsters, and 30-yard dumpsters. The company?s dumpster rental prices vary according to the roll-off size, rental timeframe, amount of tonnage being hauled away, and delivery region. The company?s prices range from $375 for a 10-yard dumpster rental to $425 for a 13-yard dumpster rental, $475 for a 15-yard dumpster rental, and lastly, $595 for a 20-yard dumpster rental. The company also provides plenty of generous rental time. Rental times can vary from one to 14 days. If this is not enough time for whatever reason, extensions can also be arranged for an additional fee.

The company serves a vast area of Pennsylvania. Some of the cities and communities serviced by the company include East Greenville, Coopersburg, Woxall, Red Hill, Green Lane, Harleysville, Macungie, and more. Anyone wanting more information on whether they are within the service area can find that information on the company's website. Customers outside of the service area can still work with the company. The company notes that deliveries outside of their listed region are often made for a minimal additional fee. As stated on the company website, accommodations can usually be made to suit a customer?s project and budget.
