May 16, 2023 - PRESSADVANTAGE -

Houston, TX - The Flashy Photo Booth, a leading photography and event planning service provider in the greater Houston area, is thrilled to announce the launch of their new, fully customizable Wedding Photography Packages. This exciting development aims to provide couples with more personalized options to capture their most memorable moments on their special day.

"We understand that every wedding is unique, and the way it's captured should reflect that," says Manuel Yanez, CEO of The Flashy Photo Booth. "Our customizable wedding packages offer a variety of options, from pre-wedding shoots and ceremony coverage to reception party candids and custom photo booths. We want to ensure that we can cater to every couple's specific needs."

The new packages allow couples to mix and match services, ensuring they get the best coverage for their budget. Services include engagement and bridal sessions, ceremony and reception coverage, second shooters for additional coverage, custom photo booth rental, instant printing, and more. Each package also includes a private online gallery, a selection of professionally retouched images, and full rights to print and share photos.

The Flashy Photo Booth team consists of professional photographers and event planners who are dedicated to providing clients with high-quality services. They have a wealth of experience in wedding photography, ensuring they capture every detail and special moment.
