Anaheim, Irvine, and the Greater Orange County Area, CA - May 11, 2023 - Wheels For Wishes & Wellness, a program under the Car Donation Foundation, has announced that it has raised over \$143,305,842 across all of its charity car donation programs in the United States. "We achieve this by turning unwanted cars into essential medical assistance for local children, making a significant difference in their lives."

Wheels For Wishes & Wellness's commitment extends to Anaheim and Irvine, where the program's

initiatives have had a substantial impact. The organization is continually striving to expand its reach and effect positive change in the lives of even more children in these communities.

Celebrating this significant milestone, Wheels For Wishes & Wellness is more determined than ever to fulfill its mission. The organization encourages residents of Orange County and the greater area to join in their cause and help transform lives through their car donation program.
