

Water Slide Rentals Houston TX Company Martibirds Inflatables Offering Exciting New Inventory for Summer Months

May 17, 2023

May 17, 2023 -

Martibirds Inflatables, an industry-leading party rental company based in Houston, Texas, is proud to announce an all-new line-up of waterslides and inflatable options for the upcoming summer months! With an already wide selection of options to choose from, the company?s brand new increase in inventory will give customers far more selection than ever before. Coupled with Martibirds? current 5-star reviews and unmatched customer service, these additional add-ons will further cement this company as the go-to option for all of Houston?s inflatable and waterslide needs. Any potential clients looking for water slide rentals Houston TX uses year-round or are simply seeking more information should visit the official website to browse the available inventory and learn more.

Owner Marty Smith founded his company with a passion for fun and making memories that will last a lifetime. ?The summer is fast approaching, and I think every kid deserves a chance to have some honest fun outside with all their friends, and now that we have more options in stock, there are just more happy kids and parents that we can serve,? Marty said.

Martibirds Inflatables is truly dedicated to crafting those fantastic memories for its customers in Houston, Texas, and the surrounding areas. Anyone looking to utilize the company?s services can have inventory delivered to surrounding cities such as Galveston, Baytown, Crosby, Deerpark, and Pasadena. Customers outside of the service areas are still encouraged to inquire about delivery, although a small additional fee may apply.

Martibirds Inflatables is dedicated to delivering on the promise of fun, and they company has just the right equipment to do it. Martibirds carries everything from water slides to bounce houses, interactive games, combo bouncers, mechanical rides, outdoor movie screens, and even portable concession stands. The staff is prepared to provide equipment for any event, whether it be for small backyard parties or large-scale events. During the upcoming summer months, these events can be anything from birthday parties to church events to block parties, community gatherings, school field days, and even summer camps.

No matter the event, Martibirds Inflatables is prepared, and any customer looking for variety has come to the right place. They have several waterslide options to choose from at various budgets to fit every need. For example, the Big Wave Jr. is now available for rent for just $275.00. This slide is perfect for personal use, as it was designed to fit in most backyards without sacrificing the fun factor. It?s a 16-foot-tall single-lane slide that ends in a pool at the bottom, making it perfect for any summer backyard party.

Another newly available waterslide is the new tropical island-inspired Aloha Falls. This 20-foot-tall waterslide stretches 35 feet long and ends with a giant, refreshing pool to melt those hot summer days away. This waterslide is perfect for all age groups and is great for both kids and adults. This waterslide is available for rent for just $355.00. Another addition to the new water slide line-up is the 22-foot-high and 40-foot-long Fire Fly. This slide comes equipped with waterproof LED lights that make it come alive at night. This slide is sure to wow guests and friends alike at any backyard party or small event. The Fire Fly is available for rent right now for $475.00.

Lastly, if a customer is looking to make a truly unforgettable impression, they can go for the new Texas Throttle. Standing nearly four stories tall and 80 feet long, with a ramp at the end of the slide, it's perfect for large events and fundraisers. The amazing Texas Throttle is available to rent for only $1,550.00. These are just a few of the new water slide options available for rent from Martibirds Inflatables. Those seeking more information on these or any of the company?s other water slides and inflatables are encouraged to visit the website.

Martibirds Inflatables has not only built a large inventory of options for customers to choose from, but has also built a reputation for excellent customer service. The company has made it easy for customers to browse

and rent from its large selection. The intuitive online booking system was designed to be easy to understand, navigate, and use, therefore taking all the unnecessary stress out of event planning. ?We?ve rented from Jason and his crew in the past and will ALWAYS call Martibirds first for our party needs,? stated one happy customer. Additional reviews similar to this one can be found on the company's Facebook and Yelp pages.

Anyone looking to create long-lasting memories with Houston TX water slides this summer is encouraged to reach out to Martibirds Inflatables, the premier entertainment rental provider for Houston, Texas, and the surrounding areas.
