

Ontario Workers Compensation Lawyer Alexander Napolin Is Fighting for Injured Workers' Rights in California

June 06, 2023

Ontario, California - June 06, 2023 -
Ontario workers? compensation lawyer Alexander Napolin is helping California residents injured at work fight for their rights and get the full compensation they deserve.

In California, most workers who are injured on the job are covered under workers? compensation insurance. However, even if the circumstances surrounding a case are unambiguous, the legal system can still present several roadblocks that make it difficult to recover full compensation, including damages for pain and suffering. With an experienced attorney such as Alexander Napolin on one?s side, victims get the support, guidance, and representation they need to complete the claims process on time and to the highest degree of compliance to ensure a favorable result.

Regarded by his clients as the best auto injury lawyer Ontario has to offer, Alexander Napolin?s recent victory in a workers? compensation case demonstrates his ability to get life-changing results for his clients.

When a group of workers lost their lives in a plane crash while being transported to a mountainside work site, Alexander and his law firm stepped up to the occasion and put up a strong fight. Under his leadership, the families of the deceased workers secured a settlement of $6.9 million in the case, Does v. California Workforce Farmers.

?It was months of hard work in a complex case involving multiple parties and tough legal challenges,? says Alexander. ?However, the final settlement that our clients were awarded made it all worth it. I and everyone here at the firm fought to ensure our clients had everything they needed to rebuild their lives following the tragedy. We were resolute in our commitment to fight for justice and it yielded the best results for our clients. Though we cannot bring back the lives that were lost, the compensation serves as a reminder for corporations to do better for their employees.
