

Surreal New Year's Eve Announces That New Year's Eve Soiree Will Be Held In The Hilton Chicago

December 10, 2015 -

Surreal New Year's Eve is proud to announce that their annual New Year's Eve Soiree will be held in the Hilton Chicago this year. They believe this to be the best venue in the city because of its luxury and style, its fantastic amenities and its central location to many of the city's most famous landmarks. Full details about the event are available through http://surrealnye.com/Hilton_New_Years_Chicago.html.

"Our party has been a fantastic success year after year," says Brian Pfeiffer from Surreal New Year's Eve. "Tickets are selling out very quickly, in fact more quickly than previous years. While this has undoubtedly something to do with the fact that our event is now so popular, we believe it is also because of this year's chosen venue: the Hilton Chicago."

The hotel itself has recently completed a \$150 million refurbishment project and now has state of the art facilities. Because they have invested so heavily in their refurbishment, they have also made a meaningful contribution to the economy of Chicago, working almost solely with local providers. This is something Surreal New Year's feels should also be celebrated.

"Perhaps everybody's new year's resolution should be to make concerted efforts to support their community," adds Brian Pfeiffer. "Shopping locally and spending money locally gives communities a real boost and it is so easy to do. Considering the tremendous work the Hilton has done for Chicago, there really is no better venue in our eyes."

The Hilton, as can be seen at http://surrealnye.com/new_years_eve.html, is also the perfect venue in terms of space for the event. The guest list is expected to reach 3,500, many of whom will actually be staying in the hotel overnight. Additionally, the event will span different rooms with different themes, which require a space that is large enough to accommodate everything.

Surreal New Year's Eve encourages everybody to check out their write up on the venue to find out about amenities and things to do. Full details are available through http://surrealnye.com/chicago_new_years_venue.html. They also encourage everyone to book their ticket before they sell out.
