December 10, 2015 -

Chicago, IL based Surreal New Year's Eve is in full launch mode for this year's New Year's Eve Soiree. This year, they are proud to announce that they have included a VIP table service, with special packages included. Full details about the event are available through [http://surrealnye.com/New\\_Years\\_Eve\\_Events\\_Chicago.html](http://surrealnye.com/New_Years_Eve_Events_Chicago.html).

"We have been running the New Year's Eve party for many years, and each year it just seems to get better," says Brian Pfeiffer from Surreal New Year's Eve. "This year, for the first time, we are launching a VIP package. Because the event will be held at the five star Hilton Hotel in Chicago, we felt there was room to also offer our guests five star treatment to match. We're excited to see that many people have already signed up for our VIP packages."

Full details about the VIP packages, prices and how to book are available through the organizer's website at [http://surrealnye.com/chicago\\_new\\_years\\_table-service.html](http://surrealnye.com/chicago_new_years_table-service.html). The VIP package includes an exclusive reserved table. Only a limited number of tables are available for this event, so people are encouraged to book their tickets quickly. VIP tables will be available in the International ballroom and Grand ballroom only. Each

table will include everything that comes with the general admission ticket, as well as VIP ticket meal package amenities.

Additionally, tickets come with a top shelf bottle service, which includes top shelf drinks such as champagne and Red Bull, Grey Goose Vodka and more. Ticket holders can have full bottles of champagne and Grey Goose vodka placed on their table as well. The party will be seated by a designated VIP hostess and bottles will be brought to the table by a VIP server.

"The VIP package is something special," adds Brian Pfeiffer. "We actually have five different packages available, for two to eight different people. We encourage everyone to take a look at our website to see what is included.
