A popular inflatable rental at Osseo Rents is the bounce house, which offers a great way to keep the kids entertained and busy during a party or event, giving the adults some time to relax. These are colorful bounce houses and are of commercial grade quality to ensure safety. One example is the Large Wacky Bounce House that has bright colors that kids find attractive. It is provided with finger-safe mesh and high-quality anti-tear vinyl to assure parents that their kids are safe while having fun. Up to eight kids ages 3 and up can use the bounce house at the same time.

Also available from Osseo Rents are bounce houses with additional features, such as obstacle pop-ups, basketball hoops, slides, and climb walls. The slide part of the bounce house can either be wet or dry, depending on the unit. One example is the Pirate Ship Bounce House and Slide, which can allow the kids to have fun and entertained while imagining they're on board a pirate ship. Inside the bounce house is a basketball hoop to add extra fun and to ensure safety, it is provided with a finger-safe mesh and high-quality vinyl. The slide can also be used with water to help beat the summer heat. More information about Osseo Rents can be gleaned from their Facebook page at <https://www.facebook.com/osseorents/>.
