June 23, 2023

MELBOURNE, VIC - June 23, 2023 -
LEAD Conveyancing Melbourne, a conveyancing solicitor firm based in the capital city of Victoria in Australia, has announced their buyer?s guide in Victoria for Melbourne property enthusiasts. They can help property investors when buying or selling a property, particularly with their conveyancing needs, such as property transfers between related parties, stand-alone contract drafting, and stand-alone contract review.

Trinh Thai, Legal Director and founder of LEAD Conveyancing, says, ?Have access to your conveyancing lawyer at your fingertips. We?ll lead you through the maze of requirements in buying and selling residential properties. We also offer you the most practical and cost-effective outcome at a guaranteed fixed fee. And, we?ll solve your conveyancing needs (whether you just need a pre-signing contract review or only need to straight from conveyance to settlement).?

Trinh Thai adds, ?We have taken conveyancing services to the digital world: No paper, very little post and everything by email and phone. No need to take time off work for your conveyance. Sign your documents on

the go using e-signing technology. No face-to-face physical meetings, do online video conference instead from your phone, tablet or computer.?

There is actually no need to visit their offices. Wherever the client is located in NSW, Victoria, or Queensland, they can help. They can assist any property investor wherever they are located: Sydney, Melbourne, Brisbane, Sunshine Coast, Gold Coast, Frankston, Ballarat, Newcastle, Geelong, Point Cook, Cheltenham, Lake Macquarie, Werribee, Cairns, Parramatta, Wollongong, Croydon, Coffs Harbour, Cranbourne, Logan, Pakenham, Townsville, Albury, Penrith, Melton, Sunbury, Dandenong, Berwick, Essendon, Bendigo, and more.

There are a number of factors that make LEAD Conveyancing distinct from other firms offering the same services. First is their fixed fee with no hidden charges. Clients are able to budget their conveyance expenses without having to be worried about any surprises. With LEAD Conveyancing Melbourne, the searches and certificates are passed on to the client at cost with not markup. Second is that LEAD Conveyancing ensures that the needs of the client are their first priority. The third factor is that optional services are only provided to a client when it is really needed. And lastly, weekend and night-time contract review will be by appointments so that clients have the flexibility to choose the appropriate time for them.

LEAD Conveyancing Melbourne is a boutique conveyancing firm that is focused on assisting property investors from Melbourne and all of Victoria with regards to the legal aspects of selling real estate, buying real estate, and title transfers. They offer their services for residential property conveyancing in Melbourne and throughout Victoria at a competitively priced fixed rate. Hons) and Bachelor of Science in Psychology from Deakin University, and she obtained her Graduate Diploma in Legal Practice at the College of Law. The firm won the Word of Mouth Service Award in Conveyancing for the years 2020, 2021, and 2022.
