

Troy Warren Names Connee Adams Director of Client Services For Entire City Directory Network

December 07, 2015

December 07, 2015 -
Troy Warren host of LetsTalkBusinessRadio.Com announced today that he is launching Home Service City Directories in three major metropolitans to include the Chicago, Phoenix and San Diego areas.

Warren has named and appointed Connee Adams to serve as Director of Client Services within the network.

Connee?s primary role will be working with Home Service professional companies found by Dione Balingit (National Director) that are exclusively vetted and placed within each City Directory. These Home Service professionals and companies will serve the consumers in the various local communities of Arizona, Illinois and southern California.

Connee Adams not only has a strong background in Business Finance, Management and Development, but has worked for and with many Home Service companies in the past. Partly Adams' role will be ensuring the Home Service companies have good backgrounds and reputations.

Adams said, ?Because of my experience with Home Service companies, I know what it takes on the part of the Home Service company to deliver an exemplary customer experience.?

Adams will also handle the finances of the City Directory.

Warren commented, ?I have worked with Connee in the past and there is no one better suited for this position on both the business and consumer side of the directories. Additionally she is well suited for the network with her finance experience since the network will build up to 100+ directories in 2016 and involve hundreds of thousands in transactions.

Following the launch of the Home Service City Directories Warren mentioned plans of developing Health Service Directories that will all be linked together making it convenient for homeowners and consumers alike.
