Mighty Dog Roofing of Boca Raton, based in Boca Raton, FL, is offering free roof inspections that are performed by a drone. This is distinctive in that it uses innovative technology to ensure the provision of the best non-biased reporting. Many insurance firms approved of the use of this technology for roof inspections that are used for claims. Real estate agents also approve of the roof inspection report provided because it is a non-biased and reliable report that allows the buyer to really know the condition of the roof before the sale is completed. Those who want to know more about Mighty Dog Roofing can visit company website.

The Drone Superscan roof inspection is a 25-point inspection service, which includes: inspection of valleys; inspection of step and counter flashing; inspection of skylights; ventilation inspection; hip and ridge inspection; eaves and rakes inspection; nail head inspection; inspection of roof sheathing or decking; drip edge inspection; inspection of gutter aprons; soffits and fascia inspection; roof edging inspection; chimney inspection; roof ventilation and exhaust system inspection; plumbing stack inspection; gutters inspection; inspection of furnace caps and pipes; window inspection; attic inspection; inspection of storm damage caused by the wind; inspection of siding; downspouts inspection; aircon unit exterior inspection; inspection of storm damage caused by hail; foundation drainage inspection; and inspection of step counter flashing.

Mighty Dog Roofing of Boca Raton also provides a unique service that is known as the Customer Vault. This is a storage of information provided for each customer that they keep for the convenience of both the customer and Mighty Dog Roofing. Some of the information included in the Customer Vault are: warranty information; photographs and videos; yearly updated drone inspection information; insurance information repair records; reports for the customer?s realtor/insurance agent; manufacturer information; monitoring of all repairs and replacements with dates, products, and services used; all insurance details for easy and convenient claims handling; and yearly reminders for the inspection of the customer?s roof. Those who are interested in getting more information about Mighty Dog Roofing can visit web site.

Mighty Dog Roofing of Boca Raton also offers the Watchdog Maintenance service. This will involve inspections of the roof and other home exterior parts every year. The purpose is to discover even minor problems of the roof that may gradually become worse and develop into serious issues in the future that will be expensive to repair. They will also compare the annual inspections to allow their roofing expert to make an estimate as to how long the roof will last. This provides time for the homeowner or property owner to get ready for the costly roof replacement in the future.

They also offer the Mighty Dog Visualizer, which is an app that can be used by the homeowner to visualize how the roof would look like when utilizing certain colors and roofing materials. This enables the client to see the appearance of the roof and home even before the project has been started.

Mighty Dog Roofing of Boca Raton is locally owned and operated by Mariano Aras who seeks to provide a high level of quality, sophistication, and an emphasis on customer service to the community in Boca Raton and neighboring areas. All of the roofing projects they handle are manned by experienced and certified roofing experts. They provide a technologically centric and advanced approach to roofing, such as the drone-assisted inspections, curb appeal visualizer, and other innovative tools.
