

Spring Texas's Premier Outdoor Lighting Company Bling!e Premier Lighting Offers High Quality Outdoor Lighting Installations

June 13, 2023

June 13, 2023 - PRESSADVANTAGE -

Bling!e! of the Woodlands is bringing its high-quality outdoor lighting fixtures and design and installation expertise to homeowners and commercial customers in Spring, Texas. For more details, Visit [Web Site](#).

The locally owned and operated, nationally backed premier lighting service provider specializes in all types of landscape, patio, holiday, event, permanent home exterior, and commercial lighting services. The company prides itself on using the best professional-grade lighting products that shine brighter, longer, and more efficiently than those used by its competitors. The lighting fixtures are also selected to be weather-resistant, ensuring optimum functionality all year round.

Bling!e's world-class product selection is backed up by a slew of technological innovations that give it an edge compared to other outdoor lighting installation companies. The company's lighting experts leverage its cutting-edge computer-based lighting technology to help clients visualize their homes before the work starts. Homeowners are free to customize the project to their heart's delight until it matches their vision for their beautiful well-lit property.

Amanda Santos, the General Manager of Blingle! of the Woodlands, shares what the parent company's industry advantages mean for its customers by saying, "With over a hundred locations across the United States, Blingle maintains a high standard of quality in every aspect of the business such as equipment procurement, employee training, and work process management. Paired with my years of experience in leadership roles, we give Texas homeowners the best professional outdoor lighting installation services that money can buy. Call up our design team and get started with our 7-step process today! For more information about our parent company, Visit Company Website."

Blingle has built up a reputation for delivering attractive and reliable lighting installations on account of its tried and tested 7-step process. It starts with a design consultation which can be done remotely or in person. The design is then recreated virtually where it can be endlessly tweaked till the client is completely satisfied. Then, a detailed written proposal is drafted, and site visits are scheduled for the installation.

Homeowners can rely on the team of installation professionals to arrive on time and work independently at a brisk pace after being pointed to the home's electrical outlets. After the installation, the company's crew is always available to fix issues, if any. Finally, if the lighting installation is temporary, Blingle will arrange for the lighting to be taken down after the season, holiday, or event.

Residents of Spring, Texas, have already shared their approval of Blingle's top-notch lighting products and hassle-free installation services. Amanda and her team have received several positive reviews on its Google Business Profile where it currently has a perfect 5.0 out of 5.0 overall rating.

One reviewer says, "We had bistro lighting added to our covered patio. We also had them add an electrical box so that the wires were hidden. Everyone from the sales to the installers was very friendly, knowledgeable, and very easy to work with. We received exactly what we wanted and what was promised. I would recommend them."

Another client writes, "Amanda was great! Everything was explained clearly and there were no unexpected or surprise issues. Every step was explained along the way. The installer, sorry forgot your name, was also very friendly and brought samples for us to see in person and decide on... Everyone who sees them likes them and we had a neighbor knock on the door to get more info. I called Amanda and made sure it was OK to give her number out and she was able to talk to them and help them out."

Blingle! of the Woodlands serves the area and several others nearby including Spring, Conroe, Carlton Woods, Cochran's Crossing, Humble, Huntsville, Kingwood, Montgomery, New Caney, Porter, Willis, Woodforest, and more. For planning, design meetings, and iterations, clients can visit its office at the address: 22820 Interstate 45 Bldg 3 Suite F Spring TX 77373.

Readers can get in touch with Amanda and the rest of the team at Blingle! of the Woodlands at (281) 903-5404.
