BS Locksmith LLC Is Offering Emergency Residential Lockout Services to Residents in Aurora, CO

June 19, 2023

June 19, 2023 -
BS Locksmith LLC is providing residential locksmith services to homeowners in Aurora, CO, who have lost access due to an emergency or need its professional expertise to secure their homes.

The locally owned and operated full-service mobile locksmith offers customers a complete spectrum of home locksmith services. For clients who are stuck outside their homes in inclement weather, owner Shlomo Benizri and his crew of certified local locksmiths can be on their way at the drop of a hat. The company boasts a fully equipped mobile locksmith van that has all the equipment it needs to offer everything from lock repair and new lock installation to keypad locks, key duplication, and more.

?Getting locked out of your home, especially during the harsh Colorado winter months, is an experience that nobody should have to go through,? says Shlomo. ?This is exactly why we offer emergency services that are designed to get you inside and comfortable as soon as possible. Just give us a call and we will waste no time hopping in our truck and driving to your location. Over the years, we have saved countless homeowners get into their cars, house, or office quickly without damaging their existing locks or doors. Moreover, if you are worried about safety, we also offer home security upgrades to make your property impenetrable.?

The full range of the company?s residential locksmith services includes new lock installations, lock repair, lock rekeying, keyless entry/keypad locks, interior door lock installation, patio door locks, deadbolt locks, high-security locks and high-security solutions, smart lock installations, digital door locks, gate lock installations, privacy fence locks, key duplication/key maker services, help with broken keys, help with a spare key or spare house keys, front door lock repair and installation, new locks for new homes, broken locks and lockout assistance, garage door locks, and more.

BS Locksmith LLC prides itself on offering high-quality services at a fair price and with the finest workmanship. The company?s residential locksmiths only use products from leading manufacturers who are

known for their durable offerings and secure designs such as Schlage Locks, Kwikset Locks, Yale, Falcon, Simplex, Adams Rite, Sargent, and MarksUSA. Moreover, on top of its already exhaustive list of locksmith services, the company?s professionals are also trained and equipped to undertake tasks to enhance home security such as installing cameras, installing electronic locks, and more.

Apart from its residential locksmith services, the Aurora locksmith also offers car locksmith services, car key replacement, commercial locksmith services, key duplication, access control, lock rekeying and lock changing services, and more. The company offers emergency services in Aurora as well as nearby Arvada, Castle Rock, Denver, Englewood, Federal Heights, Golden, Littleton, Thornton, and Westminster, CO.

Homeowners in Aurora have profusely thanked BS Locksmith LLC for rushing to their aid in a tough situation. On its Google Business Profile, where it has a perfect 5-star overall rating from nearly 1300 reviews, customers note the company?s quick response, the professionalism of its locksmiths, and the high-quality products and services they offer.

One recent 5-star review says, ?My daughter inherited a house, and we were unable to locate the key to enter the property! We called a couple of other locksmiths before we found BS Locksmith. He was the most readily available, offered the most comprehensive pricing scenarios, and just overall appeared to be the most knowledgeable. Felt like he was the best choice for our needs, and we weren?t wrong with our decision. Thank you, BS Locksmith for a job well done.?

Another reviewer who was locked out of their house writes how BS Locksmith LLC saved them in an emergency by saying, ?Got locked out of the house this morning with client meetings in the next hour. Super-fast response, fair pricing, and super friendly. Highly recommended! Hoping to not get locked out again, but if I do, I?m calling BS Locksmith!?

Readers can contact the Aurora locksmith at (720) 372-8021 for inquiries or to schedule its 24/7 emergency BS Locksmith LLC car key replacement and locksmith services.
