

Jump a Roo's Bounce House Rentals Offers Movie Screens, Audio Equipment, and More

June 12, 2023

June 12, 2023 - PRESSADVANTAGE -

Jump-A-Roo's Bounce House Rentals, based in Vandalia MO that offers bounce house rentals and more, wants to point out that they also offer movie screens and audio equipment for those family movie nights, video game enthusiasts, graduation parties, and more. They are offering for rent a huge inflatable movie screen, which can inflate in minutes to offer the appropriate backdrop for the client's favorite television shows, movies, or sporting events. They also offer for rent speakers designed to provide crystal-clear sound and are equipped with a microphone for karaoke enthusiasts and more.

A spokesperson for Jump-A-Roo's Bounce House Rentals says, "Jump-A-Roo's Bounce House is a very family-oriented company. We have a very large family that always makes sure our selections of products are always the top notch on the Fun-O-Meter as these product testers of ours are running, climbing, jumping, and playing fiercely with each other in competitive back yard games. We are always making sure we have the best, the most awesome, and better yet, the safest bounce houses in the market. We call them fun and we have a great selection with all of your favorite characters. We also have inflatable slides, water slides, table and chairs, yard games, tents, and concessions including popcorn machines, sno cones and cotton candy."

Jump-A-Roo's Bounce House Rentals is also proud of the highly positive reviews they have been receiving from satisfied customers. They have an overall rating of 5.0 out of 5 stars on Google after receiving more than 100 reviews. In one recent review, Cheyenne B. gave them a five star rating and said, "Jump-A-Roo's Bounce House Rentals did a fantastic job of assisting with our Grand Opening's table, chair, and tablecloth rental. They were not only on time, but early! Pricing was fair and competitive. Set up and break down was quick, friendly, clean and efficient. I would highly recommend them to anyone seeking this service."

Their primary party rental product is, of course, the bounce house, which ensures lots of fun for kids during parties, while parents are able to relax and enjoy the event. One example is the Pink Flower Bounce House, which measures 15 feet by 15 feet. This is a colorful and vibrant bounce house with an attractive floral design and can be an ideal addition to a birthday party, family event, or community event. Another example is the Red Blue And Orange Castle Bounce House, which also measures 15 feet by 15 feet. This colorful inflatable bouncer is ideal for children of all ages for birthday parties, school events and more. Also available is the Bounce House with Dry Slide, which is an inflatable bounce house that is fitted with an attached slide to add to the enjoyment of the kids.

Most suitable for the summer season is the water slide, such as the 24' Splash Down Water Slide, which is suitable for both children and adult, offering hours of fun. To allow for more fun, the Big Blue Double Lane Waterslide is 20 feet high and features a double-lane waterslide allowing kids and adults to compete to add to the enjoyment.

Founded in 2020, Jump-A-Roo's Bounce House Rentals LLC offers bounce houses, water slides, and many more party supplies rentals to Vandalia and neighboring areas. They are focused on allowing clients to have more fun in their parties and other events. They always ensure that the bounce houses, water slides, concession machines, and other equipment are thoroughly inspected, cleaned, and sanitized after every use to ensure the clients' peace of mind. The places included in their service area include: Bowling Green, Centralia, Clarksville, Columbia, Elsberry, Eolia, Fulton, Hannibal, Jonesburg, Louisiana, Macon, Mexico, Moberly, Montgomery City, Moscow Mills, Palmyra, Paris, Perry, Pittsfield, Pleasant Hill, Quincy, Shelbina, St Clement, Troy, Warrenton, Wentzville, and Winfield.

Those who are interested in the Jump-A-Roo's Bounce House Rentals waterslides and obstacle courses can visit their website or contact them on the phone or through email.
