In a recent review, Diane W. gave them a five star rating and said, "McFarlin Painting did an excellent job on interior painting of my home. Chad was so easy to work with. He had consideration for my costs and was willing to use paint I had previously purchased for the job. He was timely in response from my initial contact, to looking at the job, to bidding cost, and to getting the job done. His crew worked efficiently. The end product was high quality and I have absolutely no complaints. There were a lot of challenging angles to tackle and they worked them perfectly. I also liked that he had appreciation for my personal choice in colors and I didn't feel judged, despite my bold taste in color."
