June 12, 2023 - PRESSADVANTAGE -

Mighty Dog Roofing of South Jersey, based in Sewell, NJ, is proud to announce they have received another five star review from a satisfied customer. This roofing contractor is a leading service provider in Sewell and neighboring areas. They offer various kinds of roofing services, including roof installation, roof inspection, attic venting, roof repair, gutter inspection, gutter installation, commercial roofing, and gutter repair. Those who want to get to learn more about the company can visit company website.

In the recent review, Ginger M. gave them five stars and said, "How could you go wrong with a name like Mighty Dog Roofing? Matt and the team was so helpful. They are very knowledgeable and professional. My roof looks amazing. Everything went very smoothly. They communicated with me throughout the entire process. I knew they were the right fit for me as soon as I called for a quote. I highly recommend Matt and the Mighty Dog Roofing Team."

One of their distinctive services is the Drone Sky View, where they use drone technology for performing a 25-point inspection. This will include: inspection of valleys; eaves and rakes inspection; inspection of skylights; ventilation inspection; inspection of storm damage caused by hail; inspection of step and counter

flashing; nail head inspection; inspection of gutter aprons; hip and ridge inspection; drip edge inspection; chimney inspection; inspection of roof sheathing or decking; roof edging inspection; gutters inspection; soffits and fascia inspection; plumbing stack inspection; roof ventilation and exhaust system inspection; window inspection; attic inspection; downspouts inspection; inspection of furnace caps and pipes; inspection of siding; foundation drainage inspection; aircon unit exterior inspection; inspection of storm damage caused by the wind; and inspection of step counter flashing.

Another unique service that Mighty Dog Roofing provides is the Customer Vault for each and every customer. This functions as a storage for all relevant information regarding the roof and home of the customer. These include: warranty information; photographs and videos; yearly updated drone inspection information; insurance information repair records; reports for the customer's realtor/insurance agent; monitoring of all repairs and replacements with dates, products, and services used; all insurance details for easy and convenient claims handling; and manufacturer information; and yearly reminders for the inspection of the customer's roof. Those who would like to know more about Mighty Dog Roofing and their services can visit web site.

Mighty Dog Roofing also offers the Watchdog Maintenance service, which is provided each year to detect any possible issues with the roof that can become worse and turn into serious problems with the roof in the future. They will also be comparing the results of the inspections performed every year to make a projection as to how long is the remaining life of the roof.

They also offer the Mighty Dog Visualizer, which is an app that the homeowner or property owner can use to find out how using a particular roofing material or color will look like when used for their home. Thus, the property owner can try various materials and colors until they find the roofing material and color that they find to be the best for their particular home. This app can be used with a smartphone or any mobile device.

Mighty Dog Roofing of South Jersey is locally owned and operated by Matt Hemighaus, who is a native of South Jersey and has been recognized for his work on the restoration of old properties. The Historical Society has bestowed him an award for his excellent work on converting a boarded-up, historic property into an attractive new home for a local resident. His passion for rejuvenation and restoration has allowed to gain his current reputation of always providing high-quality work.
