up to 500 sticky sheets for one price. The roller sheets are also made to be easily removed with a large perforation design at the end of each sheet.

"Nothing works nearly as well as actual lint rollers when it comes to cleaning dog hair off of our couches. These pet lint rollers are just great for that. They tear where they're supposed to. They last a long time. The rollers are very sturdy. We have a long hair chihuahua and anyone who comes in and sits down gets dog hair on them, so I love having these rollers handy to get the hair off clothes. They really work well. This is a great deal at the price. You get one roller handle and five roller refills. There 100 sheets on each roller," said Suzanne McKenzie in her 5-star review.

SuperiorMaker's pet lint rollers are currently available at a special price on Amazon. Every order qualifies the shopper for two free homecare eBooks, and each purchase is backed by a 100 percent no hassle lifetime money back guarantee.
