

Minneapolis Criminal Defense Lawyers Firm Explains What a Person Should Do If Arrested

June 20, 2023

Minneapolis, Minnesota - June 20, 2023 -
Ryan Garry LLC, Criminal Lawyers, a firm based in Minneapolis, MN, has offered some tips on what a person should do if arrested. Ryan Garry is an experienced criminal defense lawyer that offers representation for individuals who have been accused by state or federal government of serious crimes. He belongs to an elite group of lawyers who have been certified as a Criminal Law Specialist by the Minnesota State Bar Association. He has also been designated as a Superlawyer by his peers, which is a kind of recognition that has been given only to 5 percent of all criminal defense lawyers.

When a person has been arrested, Ryan Garry says, ?Keep your mouth shut. Don?t say a word to anyone. What most people try and do in situations like this is try and talk themselves out of it. They think they can tell a story or give their version of events and oftentimes that?s a nail in the coffin. So the first thing you should do is be quiet; the second thing you should is call a lawyer right away.?

He also wants to stress that a person should remain calm and silent and to request to speak to their lawyer

who would be able to advise the person of their rights. An arrested person should never talk to anyone other than their attorney regarding the incident. If the individual gets jailed, it is also not advisable to discuss their situation with jail mates. When contacted by a loved one, the individual can request that person to get a criminal defense lawyer for them. It is important to insist to see a lawyer. In addition, it is vital not to actively resist the arrest as this can have negative consequences such as possible additional charges. It is also important to note that the police have a right to conduct a body search for weapons including the area within the immediate control of the individual.

That clients have been very satisfied by the services provided by Ryan Garry - Criminal Lawyer and his team is evident in the highly positive reviews they have been receiving. On Google, they currently have an overall rating of 4.9 out of 5 stars after receiving more than 150 reviews. In a recent review, Michelle E. gave them five stars and said, ?I emphatically would not hesitate to recommend this firm to family & friends and I have them on speed dial if God forbid I ever need their services again. After steadfastly leading me through the gauntlet of the justice system during my recent case, I will always put my faith in Elizabeth and Ryan. Because of their genuine compassion, concern and ability to find the humor in dark situations, I now consider them friends.?
