

Phoenix Property Management Company Now Taking Applications For Funding

December 09, 2015

December 09, 2015 - PRESSADVANTAGE -

Red Hawk Property Management, which is located in Mesa, AZ, has announced that they are now taking applications for two local tax-exempt organizations that are in need of additional funds for the 2016 calendar year. The approved organizations must be based in the State of Arizona.

Those interested in learning more and receiving updates about the program and funding recipients can visit and like Red Hawk Property Management's Facebook page. On the page, Facebook users can also get updates on homes for lease, along with information on each and a look at the local area where the homes are located.

Jerry Centner, the Managing Member and Designated Broker for Red Hawk Property Management, says, "Our ownership and employees have always given to the local community both financially and personally. Now it's time for us to direct our efforts to a few organizations to make more of an impact. We will continue to encourage our employees to contribute to whomever they wish, but as a company we want to do more. Arizona is our home and we want to give back more than ever."

Red Hawk Property Management specializes in residential single family homes, town homes, apartment complexes, and duplexes throughout the Phoenix metro area. The company works with a number of landlords and tenants, providing leasing services and enabling tenants to pay lease payments through an online portal.

The company began the Give Back program as a means of providing assistance to qualified organizations that may need a bit of extra help at the first part of the year for their upcoming financial challenges. Centner states, "Our Give Back program enables us to go a step further in helping those in our community, and we feel that community is everything."

For additional information about Red Hawk Property Management and their 2016 Give Back program, feel free to contact Jerry Centner at (480) 351-8648 or email him at jerry@azrhr.com. More about Red Hawk Property Management can also be seen on their official website at ww1.redhawkpm.com, where those who are interested can also get a look at current properties that are available for lease.
