As one of the top roofing companies in Douglasville, GA, Paramount Roofing & Consulting can handle all kinds of roofing tasks from inspections and minor roof repair to full-blown roof replacements. While it routinely takes on large scope time-intensive extensive residential and commercial roofing projects, no task is too small for the company?s expert roofers to help with. Paramount also prides itself on using only the best roofing materials from top manufacturers in the industry such as GAF, CertainTeed, Owens Corning, Malarkey Roofing Products, Atlas, IKO, and more.

The dedication that Paramount Roofing & Consulting has demonstrated to delivering an excellent customer experience is reflected in the many 5-star testimonials it has received over the years from Douglasville residents. On its Google My Business profile, it boasts a perfect overall rating of 5.0 out of 5.0 from over 160 reviews with clients praising the timeliness of the work, the attention to detail of its crew members, and its wide range of affordable roofing services.

The Paramount Roofing & Consulting customer review the company wanted to share says, ?We were desperately in need of a new roof to replace the original roof of our home built in 1997. I contacted Paramount Roofing, and they scheduled an appointment, came out to my home, and provided a comprehensive consultation with best-match options that were cost-sensitive while delivering quality materials, installation, and professionalism. Because of Paramount?s thorough knowledge and tenured experience in service, my family not only has a beautiful roof but also the comfort of the safe and reliable home they have known for so many years. I will recommend Paramount Roofing & Consulting to all my friends, family, and associates.?

Otis Floyd, the owner and spokesperson of Paramount Roofing & Consulting, responded to the customer?s encouraging words by saying, ?We are grateful that our efforts to complete all roofing jobs that we accept with top-class workmanship, quality materials, and professional customer service, all within the client?s budget, are being recognized by the Douglasville community. This is only possible because of our experienced roofers who have been with the company for many years and share the passion to give the city?s residents, our neighbors, the best roofing services that money can buy. We want to thank the customer again for taking the time to leave the review and recommending us to everyone they know.?

Paramount Roofing & Consulting?s full range of services includes installation and repair of standing seam metal roofing and steel roofing, residential roofing services such as asphalt shingle roof repair and replacement, chimneys, roof gutter installation and repair, roof inspections, roof leak repair, skylight repair, and replacement, soffit and fascia repair, synthetic shake shingles, and synthetic tile roofing, roof tarping services, and storm damage roof repair services such as emergency roof repair, hail and wind damage roof repair, and roof insurance claims help.

Douglasville homeowners can visit the company?s website to view a portfolio of the many successful roofing projects it has completed for others like them.
