My Tierra Restaurant, a new restaurant based in Pembroke Pines, FL, has revealed that it is attracting the local residents of North Miami-Dade and South Broward Counties, particularly because of its afternoon happy hour. Located inside the city of Pembroke Pines, the restaurant has been noted to serve really delicious food, so that the happy hour is turning out to be a really fun time for customers. Some people are even suggesting that it is the best happy hour in South Florida. Unsurprisingly, the positive reviews for this restaurant are flooding in. Full details about the new restaurant and its happy hour can be found on <https://mytierrarestaurant.com/>.

"We believe tradition is important and this is reflected in all of our dishes and meals," says Diana Carratala from My Tierra Restaurant. "However, tradition is not just about authentic dishes, it is also about the world's greatest bar and restaurant traditions. And we can't think of anything more traditional to Florida than the happy hour. We're so happy our customers are as enthusiastic about it as what we are."

The happy hour is receiving tremendous local buzz, as can be seen on <http://www.yelp.com/biz/my-tierra-pembroke-pines>, and people are flocking to the restaurant Monday through Wednesday between 6pm and 8pm, when 2 for 1 drinks are on offer. Furthermore, the restaurant also offers ladies night every Thursday between 8pm and midnight, when 2 for 1 drinks are also available. They have

now also launched the Friday night 'Before Party Event' from 6pm to 10pm, where all drinks are 50% off. Finally, Saturday night is 'Live Music and Comedy Show' night between 7pm and midnight, when drinks are on 2 for 1 yet again.

Those who have attended any of the nights or happy hours have been full of praise. "Erick and Eduwin... Excellent," says Anny M. "Good food, good atmosphere and a great deal... Thank you for such wonderful details... Every time I get to Miami the first place I will go will be in my preferred restaurant."

As a Hispanic restaurant, the company has also received many positive comments in terms of the authenticity of its dishes and meals, as highlighted on <https://plus.google.com/105118489231795390753/about>. Meanwhile, those who are truly from South Beach know what the South Broward happy hour feel is all about and that My Tierra Restaurant is the place to be.
