

The Fresh Lobster Company Makes Available Online Fresh Fish Fillets 24/7

July 11, 2023

July 11, 2023 - PRESSADVANTAGE -

The Fresh Lobster Company is happy to announce they have made available 24/7 online fresh fish fillets that can be shipped overnight from New England to anywhere in the United States. Fully understanding that every person has unique preferences and needs, the company offers flexible quantity alternatives for their fresh fish fillets. Their easy-to-use online ordering system only requires a few clicks to adjust the amount in the customer's cart to make sure the proper quantity is ordered.

The fillet is that part of the fish that has been cut away from the whole fish, usually removing the bones and also the skin. The Fresh Lobster Company's fillets are obtained from recently caught fish that have not yet been frozen or kept in storage for a prolonged period of time. A fillet is often preferred because of its flavor, nutritional value, and texture. Some of the most popular choices for fish fillets are salmon, trout, snapper, halibut, tilapia, haddock, and cod. These fish varieties are favorites due to their mild to rich flavors, versatility in different recipes, and their tender texture.

A spokesperson from The Fresh Lobster Company says, "If you are craving a mouthwatering seafood feast, look no further. On our online store, we offer an extensive selection of fresh fish fillets that are perfect for elevating your culinary creations. Whether you're a seafood enthusiast or a professional chef, our premium-quality fillets are sure to impress."

To ensure affordability and quality for their fresh fish fillets, The Fresh Lobster Company always sources the seafood from trusted suppliers, ensuring that customers will only receive the best quality seafood. In addition to providing the high-quality of the seafood they deliver, they have also found ways to offer the fresh fish fillet at competitive prices.

The quality of their service is attested to by the highly positive testimonials they have been receiving. For instance, Janna K. said, "I just wanted to say 'thank you' for a job well done on the lobster package delivered to our father for his 60th birthday. He hasn't stopped talking about it. He has told all of our family and friends about your service. We didn't expect such an exciting reaction! I appreciate your service and will

definitely call upon you in the future.? In another testimonial, M. Happ said, ?I recently placed my first order with you for 2 pounds of fresh swordfish. I can truly say it was the best swordfish I have had. You definitely have another very very satisfied customer. I will be placing another order very shortly with you for some of the other products. You are the best! Thank you for making delicious fresh seafood truly fresh seafood available in a non-fish area.?

Dedicated to people?s enjoyment of lobster and other kinds of seafood, The Fresh Lobster Company also provides various kinds of seafood recipes on its website. These include the: pan-seared wild salmon fillet, lobster rolls, lobster mac and cheese, softshell steamers, shrimp cocktail, lobster recipes, fried fresh haddock fillet, freshly steamed mussels, broiled scallops, freshly baked halibut Madrid, and baked stuffed lobster with seafood stuffing.

The Fresh Lobster Company has a transparent shipping policy for fresh seafood. A spokesperson for the company says, ?We prioritize the freshness and quality of our seafood, which is why we have a transparent shipping policy in place. Our dedicated team ensures your fresh fish fillets are carefully packed and shipped to your doorstep, preserving their optimal flavor and texture. Rest assured, we take every necessary step to deliver your order promptly while maintaining the highest standards of quality.?

Founded in 2002, The Fresh Lobster Company has the goal of providing the freshest seafood products in the New England area, including live lobsters, fresh fish, chowders, live shellfish, and decorative lobster clambakes. These are shipped overnight to anywhere in the US as requested by customers via Fed Ex overnight service.
