

Anesthesia Management Services Recruiting Physicians, CRNAs

June 14, 2023

June 14, 2023 - PRESSADVANTAGE -

Commerce Township, MI ? Anesthesia Management Services, PC, has been providing unparalleled anesthesia services to the greater Detroit area since 1968. Throughout that time, the organization has been known for its dedication to quality and safety, partnering with healthcare organizations to provide comprehensive anesthesia, pain management and perioperative care, utilizing innovative approaches. This stellar reputation continues to drive the group?s demand in the marketplace, requiring the ability to grow and staff additional sites with new physicians and CRNAs as they join the practice.

Anesthesia Management Services is a completely independent practice, meaning it is 100% physician-owned with no private equity or venture capitalist involvement, keeping control in the group?s hands to make the best decisions for its people, its patients and its business. The team is made up of more than 60 physicians and 60 CRNAs, including a comprehensive in-house practice management team. With a strong focus on work-life balance, flexible schedules, a fun culture and diverse values that are recognized, supported and celebrated, AMS is a welcoming group with room for additional members to contribute their skills. More information about available positions can be found at www.amspcmi.com/careers/.

Anesthesia Management Services operates under a covenant of quality and safety, and is proud to be a leader in anesthesia care in metro Detroit," said Dr. Harpreet Singh, CEO and President of AMS. "We are committed to three key principles in each relationship we maintain with our people, our patients and our facilities: accountability, collaboration and innovation. When we combine these principles with talented professionals who join our group with their individual skills and contributions, we are unmatched in the value we provide to hospitals and patients and satisfaction that our members feel."

The group uses a variety of care models available at the 16 hospital, surgical center and physician office facilities it works with, including MD-only, Anesthesia Care Team Model, hospital-based, ASC-based and office-based services. The facilities include: McLaren Flint Hospital, Pain Clinic, and Surgery and Endoscopy Center (ASC); McLaren Bay Region Hospital and Pain Clinic, Bay City; McLaren Port Huron Hospital and Pain Clinic; McLaren Oakland Hospital, Pontiac; Ascension St. John Hospital, Madison Heights; Ascension Macomb-Oakland Hospital, Warren; Ascension Providence Rochester Hospital, Rochester; Ascension Genesys Hospital, Grand Blanc Township; The Surgery Center at Health Park, Grand Blanc Township; Lakes Surgery Center, West Bloomfield Township; Surgeons Choice Medical Center, Southfield; Surgeons Choice Medical Center, Macomb; Karmanos Cancer Institute, Farmington Hills; Blake Woods Medical Park Surgery Center, Jackson; Mackinaw Surgery Center, Saginaw; and Michigan Eye Institute, Rochester.

Anesthesia Management Services provides made-to-fit services for facilities of any size. Its talented team across Michigan focuses on exceptional patient experiences through best-practice models, and cost-effective anesthesia care. Physicians and CRNAs interested in a balance of fulfilling work and lifestyle benefits are encouraged to contact the AMS team at Anesthesiainquiries@amspcmi.com.
