Yuno World, a business in Palos Verdes Estate, CA, are proud to announce the launch of their Cutee Wine Bottle Opener and Pourer/Stopper Set. The product, which comes with pink accents on the handles, is proposed to be the perfect gift for wine lovers. Available through [http://www.amazon.com/Cutee-Stopper-Fashionable-Corkscrew-Premium/dp/B01693B4WY/ref=sr\\_6\\_5?ie=UTF8&qid=1449609894&m=ARJPX6N8FQQ0A&keywords=perfect+gift&sr=8-85](http://www.amazon.com/Cutee-Stopper-Fashionable-Corkscrew-Premium/dp/B01693B4WY/ref=sr_6_5?ie=UTF8&qid=1449609894&m=ARJPX6N8FQQ0A&keywords=perfect+gift&sr=8-85), it is already proving to be very popular.

"This really is an exceptional gift idea for wine lovers," says Haruhiko Harry Nishida, founder of Yuno World. "If you're looking for a elegant gift for women, your mom or wife for a birthday, wedding, anniversary, Christmas, or any other occasion, then this wine opener will be the best choice. It comes in a lovely gift box that's sure to impress, and its design is better than any other corkscrew wine opener out there."

As can be seen on [http://www.amazon.com/Cutee-Stopper-Fashionable-Corkscrew-Premium/dp/B01693B4WY/ref=sr\\_6\\_5?ie=UTF8&qid=1449609894&m=ARJPX6N8FQQ0A&keywords=wine+opener&sr=8-85](http://www.amazon.com/Cutee-Stopper-Fashionable-Corkscrew-Premium/dp/B01693B4WY/ref=sr_6_5?ie=UTF8&qid=1449609894&m=ARJPX6N8FQQ0A&keywords=wine+opener&sr=8-85), the Kawaii style wine opener also comes with a pourer and stopper, which have been designed to be as cute as the wine opener itself. The pourer is red in color, with silver butterfly cutouts at the bottom and the stopper is blue, which fits snugly inside the pourer to keep the wine fresh and tasty at all times.

The elegant and decorative design looks great as an addition to any bar or kitchen counter when hosting a wine party with friends. It is expected to add a level of refinement to any wine drinking experience and is the suitable accessory for a romantic evening.

The wine opener is already receiving many positive reviews. "My girlfriend is the true 21st century feminist," says Adrian P. "She loves girly things and everything pink, but she's just as proficient with a hammer and nails as me. This really is the perfect gift for her, as she feels empowered to open her own bottles of wine, while accenting her soft, feminine side at the same time. The only danger is that we may be drinking slightly too much wine now, because we keep wanting to get the opener out."
