

## **Nicola Di Lucca Creates New Cellulite Reducing Massager**

*December 10, 2015*

December 10, 2015 - PRESSADVANTAGE -

Cellulite is a matter that affects millions of women around the globe. In the past, it was considered by some to be a skin problem that was very difficult to treat, but as technology has progressed, this way of thinking has subsided. Every year, a couple of new products are released that cause meaningful buzz amongst consumers. This year one of them is the Cellulite Reducing Massager by Nicola Di Lucca.

Nicola Di Luca has become well-known for going the extra mile with every product. This cellulite mitt, in particular is considered to be an upgraded model. All that is required before massaging is a bit of lotion or cream on the area that is going to be massaged.

The Cellulite Reducing Massager is hygienic, easily to utilize, and has an ergonomic handle. The massager is accompanied by an instructional guide and eBook that are replete with tips and techniques so that users can attain the most of this innovative tool that has been able to garner numerous of positive reviews on reputable online sites where consumers are allowed to rate and review their most recent purchases.

Nicola Di Luca is a family owned wellbeing and beauty company whose main goal is to help women of any age and background to put their best skin forward because every woman deserves to look their very best. This company has other skin tools as helpful as this one, which have been able to cause headlines and raving reviews from the public, too.

Check out the Video describing the massager in more detail : [https://youtu.be/-JlmA\\_Sfbf0](https://youtu.be/-JlmA_Sfbf0).
