

Roofing Contractor Serving Brandon Florida Provides Free Estimates

June 26, 2023

June 26, 2023 - PRESSADVANTAGE -

Mighty Dog Roofing Southeast Tampa, based in Brandon, FL, is happy to announce they are offering free estimates for homeowners and other property owners in Brandon and surrounding areas in Southeast Tampa. In order to be able to provide an estimate, they will go to the home or property to perform a 25-point inspection that will be performed using drone technology, which they call the Drone Sky View. The company is a provider of roof repair, attic venting, roof inspection, gutter inspection, gutter installation, roof installation, commercial roofing, and gutter repair. Those who would like to learn more about the company and also get the details about their services can visit company website.

With Drone Sky View, they will conduct an inspection of 25 elements of the roof and house exterior. These include: inspection of valleys; eaves and rakes inspection; air conditioning unit exterior inspection; ventilation inspection; inspection of storm damage caused by hail; inspection of siding; nail head inspection; inspection of gutter aprons; drip edge inspection; chimney inspection; inspection of skylights; inspection of step and counter flashing; roof edging inspection; gutters inspection; hip and ridge inspection; plumbing stack inspection; roof ventilation and exhaust system inspection; attic inspection; downspouts inspection; inspection of roof sheathing or decking; soffits and fascia inspection; inspection of step counter flashing; foundation

drainage inspection; window inspection; inspection of storm damage caused by the wind; and inspection of furnace caps and pipes.

A spokesperson for Mighty Dog Roofing Southeast Tampa says, "With this initial 25-point inspection, we will be setting the baseline health of your roof. We keep your roofing service records and measurements, along with the history of any roofing repairs and replacement, locked away in your customer vault. This information will be unlocked every year so we can compare your last inspection with the current condition of your Brandon Florida property. This is great information your insurance company will love if a claim is ever needed to be filed."

After results of the initial roof inspection have come in, they will make some recommendations on what needs to be done for the roof and then provide the homeowner with a written proposal that describes the details of the work to be done and the corresponding costs. Once the client has accepted the proposal, they will schedule the project at the convenience of the client.

As mentioned by the spokesperson, they also provide a Customer Vault that sets aside a personal storage for each customer, where they keep all relevant information regarding the roof and home of that particular client. These include: yearly updated drone inspection information; warranty information; monitoring of all repairs and replacements with dates, products, and services used; insurance information repair records; manufacturer information; photographs and videos; reports for the customer's realtor/insurance agent; all insurance details for easy and convenient claims handling; and yearly reminders for the inspection of the customer's roof.

Mighty Dog Roofing Southeast Tampa also provides the Watchdog Maintenance service that allows homeowners to have peace of mind in the knowledge that their roof is regularly checked and assured to be functioning properly. Yearly maintenance inspections are provided to detect as early as possible any emerging issues that may worsen and become serious issues in the future that will be expensive to repair.

Mighty Dog Roofing Southeast Tampa is locally owned and operated by Manoj Kumar, who is excited to provide the Mighty Dog brand of roofing and home exterior solutions to his friends and neighbors in Tampa and neighboring areas. He has extensive experience in leadership in various business sectors and he is committed to ensuring that Mighty Dog Roofing Southeast Tampa will be operating with integrity, sustainability, and safety in everything that they do. He assures customers that the company's team of experts are well-experienced and certified. Aside from Brandon and Southeast Tampa, they deliver their services also to: Apollo Beach, Dover, Lithia, Parrish, Plant City, Riverview, Seffner, Sun City Center, Valrico, and Wimauma.
