

Greater Des Moines IA Lighting Contractors Bling! Can Brighten Any Home, Business, Special Event, and More

June 27, 2023

June 27, 2023 - PRESSADVANTAGE -

Shine bright like a diamond with Bling! Premium Lighting of Greater Des Moines, Iowa. The lighting contracting company is a nationally franchised brand that offers expert outdoor lighting installation and design. Specializing in year-round lighting services for holidays, special events, residential homes, businesses, and more, Bling! can brighten up any occasion with their high quality, high tech lighting equipment. The Greater Des Moines location is run by General Manager Peter Garcia, who is proud of the company and their impact on the community.

"I love the work we do at Bling!," Garcia said. "The Bling! Team is a group trained lighting design specialists who love bringing the magic of expert lighting to any outdoor space. Whether we're designing mesmerizing holiday lighting for a home in Waterbury or creating enchanting lighting for a romantic wedding in a local vineyard, our work at Bling! brightens up our beloved community here in Greater Des Moines."

From backyard parties, to high school graduations, Bling! Premium Lighting can create unique lighting designs that add a luminous shine to any outdoor event or space, big or small. Bling! can design and install

patio and landscape lighting, permanent lighting, outdoor event space, and commercial lighting. Examples of their lighting designs can be seen online by clicking [visit company website](#).

Clients have worked with Blingle! Greater Des Moines to light patios, fire pits, porches, outdoor pools, bar and restaurant outdoor space, gazebos, grills and more. If it's outdoors and it needs to be lit, Blingle! can get the job done.

The company offers a variety of lighting options for their clients, including string lighting, accent and path lights, dock lighting, deck outdoor living lighting, patio chandeliers, LED low-voltage lighting and more. Clients can work with the Blingle! experts to find out which lighting option is right for their project.

When it comes to their lighting equipment, Blingle! uses the best in professional grade lighting technology. Their lights shine brighter and last longer, even in the sometimes harsh Greater Des Moines weather. Plus, because they offer maintenance for all their installations at no additional cost, clients can be confident working with Blingle! for all their lighting contracting needs. Clients who book with Blingle! are covered by their Lights Twice as Bright, No Lights Out Guarantee.

"We don't just offer premium lighting services, we take pride in our excellent customer service," said Garcia. "We're friendly, helpful, efficient, and easy to work with."

In addition to their friendly service, the company's project process is created with the customer in mind. The process gives complete transparency to their clients by allowing them to be part of the conception process and see digital mock ups of their lighting designs before the contractors begin installation. This is how clients can be certain that their design meets their needs before the Blingle! team even sets foot on property. More details about the full process can be found by clicking [visit web site](#).

The company has garnered a number of 5 star reviews on Yelp and Google. Clients love the designs, the quickness of service, how transparent and easy the process is, and how Blingle! is there for them every step of the way. Garcia commented on what sets them apart from other lighting contractors.

"We treat each project like it's our own," said Garcia. "We are mindful of the space, careful to install all lights properly, and we are meticulous about each design. Our clients see how much care we put into each project, and they really appreciate our effort to deliver the best lighting designs for their outdoor space, and the best customer service."
