Frank Azar Billboards Designed by Colorado Students to Fly High All Summer Long

July 13, 2023

Aurora, Colorado - July 13, 2023 -
Colorado?s largest personal injury law firm Franklin D. Azar & Associates, P.C., is celebrating the winners of its recent billboard contest, whose creations will be flying high against the backdrop of the state?s beautiful landscape all summer long.

Announced in April 2023, the billboard contest sought entries from students aged 18 or younger across Colorado. The firm?s founding attorney Frank Azar described the contest?s goal, saying, "It?s important to encourage young people in their creative endeavors. This billboard contest is one way to help those who may be interested in pursuing a career in commercial art or design." Accordingly, along with prime placement on a Frank Azar billboard, the winning designers also won a $2000 grant for themselves and a $1000 grant for their school.

The winners, announced in May 2023, were Trail F. from Greeley whose billboards can be found at Hwy 287 S/O Cherry St ES NF And 10th St W/O 59th Ave NS WF; Max B. from Colorado Springs whose billboard is at 1233 N Academy 150' S/O San Miguel ES SF; Olivia S. from Colorado Springs who secured a billboard placement at 222 S Limit St At Vermijo St WS NF; Khaylana M. from Pueblo whose billboard graces 2150 Lake Ave 20' N/O Aqua St ES SF; and Nell C. from Denver whose billboard is up at 451 S Federal Bl 100' N/O Virginia St WS SF.

"We received an overwhelming number of entries for the contest," says the firm?s spokesperson. "Each entry had the charm and honesty that can only sprout from the imagination of a young creative. The passion that the students had for the contest was clear as day and we had a hard time picking winners due to the sheer amount of talent on display. Everyone here at Frank Azar & Associates would like to thank the students who took part for taking the time to create and send in their submissions. We wish all winners and all participants alike, the best of luck for their future and hope the initiative prompts all to further pursue their passion for graphic design.
