June 19, 2023

Findlay, Ohio - June 19, 2023 -

Sublim Groupe, a leading provider of educational resources and online courses, seeks strategic affiliate partners for renowned entrepreneur, author, and speaker, Dominique Fraser.

CEO, Dominique Fraser led Sublim's reputation soon synonymous with high quality and innovation. After only four years of existence, the company was recognized not only across Canada but also in the American and French markets thanks to its work carried out on behalf of big names such as Moët & Chandon, Victoria's Secret, L'Oréal Paris, WonderBra, Fairmont, Giorgio Armani, and Mercedes, in addition to having had the chance to work on projects with international artists such as Whoopi Goldberg, Nelly Furtado, Celine Dion, and John Malkovich.

Continuing the success, Fraser is launching an exclusive First-Class Masterclass designed to help entrepreneurs reach 6-figures a month without increasing their ad budgets. They are now seeking dedicated and motivated affiliates to join the team and promote this game-changing program to a broader audience.

The First-Class Masterclass is a comprehensive 90-minute live webinar with slides and Q&A, where participants will discover the secrets to building a powerful offer to attract high-paying clients willing to pay five or six figures to work with them. The masterclass also reveals strategies to reach a 6-figure monthly recurring revenue (MRR) in 90 days and skyrocket profit margins while working fewer hours.

By becoming an affiliate partner for Sublim Groupe and Dominique Fraser's First-Class Masterclass, one can promote this transformative program to an audience and earn substantial commissions for each successful referral. As an affiliate, the following benefits are gained.

Affiliates earn a lucrative commission structure. They can earn a competitive commission of 10% for each referral that leads to a purchase of the 8-weeks Mastermind or the 2-day VIP First-Class Salon.

Additionally, affiliates receive comprehensive promotion assets. They gain access to a wide range of swipe copy, email templates, webinar intros, and promotional assets that can easily be emailed or shared through social media to effectively market the masterclass to an audience.

As an added benefit, Sublim provides joint venture (JV_ Support). The team will fully support processing payments, customizing the 2-day VIP First-Class Salon dates, and ensuring timely commission payments to the affiliate.

The financial component continues as multiple revenue streams for the affiliate. Sublim upsells participants beyond the intensive 8-week First-Class Offer Program or the 2-day VIP First-Class Salon, providing additional revenue potential for the affiliate.

Sublim is seeking only serious affiliates with a robust online presence or an email list with an audience of experts, consultants, and course creators earning over \$100,000 yearly with a genuine passion for helping entrepreneurs succeed. Whether a blogger, influencer, website owner, or have a significant social media following, all are welcome to apply for the affiliate program.
