Plymouth, MN, ? Kennedy Vision Health Center, a leading eye care provider in Plymouth, is proud to announce its recent recognition as the recipient of the highly prestigious Best Eye Care Practice Award in Plymouth Magazine. This accolade highlights the center's commitment to providing exceptional eye care services and reinforces its position as a trusted and respected institution within the community.

The Best Eye Care Practice Award is recognized as a testament to Kennedy Vision Health Center's dedication to delivering comprehensive, state-of-the-art eye care solutions while maintaining a patient-centric approach. The award recognizes the exceptional service quality, cutting-edge technology, and compassionate care the center aims to provide to its patients.

"We are thrilled and honored to receive the Best Eye Care Practice Award in Plymouth Magazine. This recognition is a testament to the hard work and commitment of our entire team," said Anthony Traverse, O.D., a partner and esteemed optometrist at Kennedy Vision Health Center. "At Kennedy Vision Health Center, our mission is to provide personalized, top-notch eye care to our patients, and this award is a validation of our team's unwavering dedication to that goal."

Kennedy Vision Health Center has always strived to remain at the forefront of technological advancements in the field of optometry. By investing in state-of-the-art equipment and consistently upgrading their knowledge and skills, the center ensures that patients receive the highest standard of eye care. From routine eye exams to advanced diagnostics, contact lens fittings, and myopia management, Kennedy Vision Health Center offers a comprehensive range of services designed to address the unique needs of each patient.

"We're passionate about delivering the best possible eye care experience to our patients," said Dr. Traverse. "Our team of highly skilled optometrists, supported by our dedicated staff, works tirelessly to make sure that every patient receives detailed and personalized attention, as well as top-quality care. This award

validates our continuous efforts to provide exceptional eye care services to our Plymouth community."

Kennedy Vision Health Center has been serving the Plymouth community for almost five decades, since its founding in 1974, and has built a strong reputation for its commitment to patient satisfaction and vision wellness. The center's team of optometrists, opticians, and support staff work together closely to create a warm and welcoming environment for patients of all ages.

"As a recipient of the Best Eye Care Practice Award in Plymouth Magazine, Kennedy Vision Health Center continues to raise the bar for eye care standards, push boundaries and improve patient outcomes," Dr. Traverse added. "This award not only recognizes our center's past achievements, but it also serves as a motivation for us all to further excel and innovate in the field of eye care!"

Dr. Traverse and Kennedy Vision Health Center are currently accepting patients at their Plymouth and Elk River offices.
