Amana Care Clinic Provides Walk-in Davenport Urgent Care Clinic

July 11, 2023

DAVENPORT, Iowa - July 11, 2023 -
Amana Care Clinic wants to point out that they are providing a walk-in urgent care clinic in Davenport, IA, which means there is no need for setting up an appointment and waiting in line for a long period of time. Patients can also make an online reservation instead of driving to the clinic. They want to emphasize that it is their goal to offer a more convenient alternative to people with minor illnesses compared to emergency rooms, other local health clinics, and hospitals in Davenport and in the Quad Cities area.

?Amana Care Walk-In Clinic is committed to providing affordable, convenient, quality medical care in a patient friendly environment,? says a spokesperson for Amana Care. ?Before you need urgent care, you?re welcome to drop by for a visit to learn more about us ? just walk right in.?

Davenport is a city in Iowa that is the biggest of the Quad Cities. There are many things to in Davenport and also various attractions to go. Some of the popular attractions in Davenport that residents and visitors can go include the: Figge Art Museum, Village of East Davenport, Freight House Farmers Market, Vander Veer Botanical Park, The Putnam Museum & Science Center, German American Heritage Center, Modern Woodmen Park, Davenport Skybridge, Adler Theatre, West Lake Park, and more. Residents and visitors while going to the different attractions in Davenport can have peace of mind in the knowledge that if they need urgent care, they can go to Amana Care Clinic and simply walk in.

Amana Care Clinic has also clarified as to the kinds of health issues they can take care of because they don?t want patients who should be going to the emergency department of a hospital and in other health care clinics to waste their time going to them. These include: back discomfort; bites; abrasions; childhood illness such as rashes, pink eye, or eye symptoms, impetigo; cold symptoms such as sore throat, fever, cough; burns; diarrhea; ear pain or infection; cut or laceration, needing stitches, wound follow-up, wound recheck, dressing change, and removal of sutures; fractured bone; injury of the foot, ankle, knee, hand, wrist, elbow; fish hook removal; joint pain; sinus pain or infection; sunburn; muscle injury ? pull, strain, sprain; rash; urinary

tract infection; vaginal discharge; sports physicals; x-rays; full lab services; and other minor health conditions. Those who are interested in learning more about Amana Care Clinic can check out their Facebook page.

For a number conditions, they suggest that it is better for the patient to visit the emergency department or call 911. These include: serious difficulty breathing; change in mental status (such as unusual behavior, confusion, or difficulty arousing); severe bleeding that won't stop; choking, coughing or vomiting blood; fainting or loss of consciousness; chest pain; head or spine injury; severe or persistent vomiting or diarrhea; feelings of wanting to harm oneself or others; burns or smoke inhalation; near drowning; sudden injury due to motor vehicle injury; sudden dizziness, weakness or change in vision; a deep or large wound; abdominal pain; carbon monoxide exposure; swallowing a poisonous substance; partial or full paralysis; sexual assault; sudden blindness or severe eye injury; vaginal bleeding (non-pregnancy); and pregnancy related concerns.

Amana Care Clinic was established to offer an urgent care clinic for the neighborhood in Davenport and Muscatine where patients can go to for minor health issues that don?t necessitate a visit to the emergency room. The medical staff at the clinic are among the best available in diagnosing a particular patient?s health issues and offering the appropriate treatment, using their advanced exam rooms, facilities, X-ray, and lab equipment. Patients can drive to the clinic and walk right in or sign in online to reserve a spot. Patients are assured they will be seen by an expert and compassionate medical professional, and they won?t need to wait in line for a long time.

Those who would like to receive urgent care services in Davenport and neighboring areas can go to the Amana Care Clinic - Davenport website or contact them through the telephone or via email. Those interested can also check out the clinic?s Instagram page. They are open from 7:00 am to 7:00 pm, from Monday to Friday, and from 9:00 am to 4:00 pm on Saturdays and Sundays. Last patient check-in would be 30 minutes before closing.
