

Adsense Account HQ Announces Their Manually Created Genuine Adsense Accounts For Clients

December 09, 2015

December 09, 2015 - PRESSADVANTAGE -

Providing their clients with the genuine Adsense accounts for sale, the experts at Adsense account HQ have announced their manually created Adsense accounts which are fully approved along with a thirty days refund policy for complete transparency.

Adsense accounts are a highly popular means of earning passive income online. People do buy Google Adsense accounts, but sometimes on various grounds, people might end up with their accounts getting banned and though they can move to any alternative but a low cpm/cpc makes it a vague attempt. Providing an expert solution to this issue, ?Adsense Account HQ? has announced their expertly manually created genuine Adsense accounts, which are fully approved and can be made available within a week. These accounts with a 30 day refund policy.

Concerning the Adsense accounts created by the company experts, Bishal Biswas, representing Adsense Account HQ, said that these non hosted accounts are made by the company experts themselves rather than getting them from any third party Adsense provider. He added that working for Indian as well as International clients, their Adsense accounts are replaceable by the company itself if for any reason the account gets banned.

Talking about the costs and refund policies, Bishal said that the company has rapidly become a go to name for people to buy Adsense Account because of their credibility and the impressive performance of their accounts. ?Rather than asking for whopping prices which sometimes can be as high as \$400 an account or more, as generally such service providers ask for, Adsense Account HQ have priced these accounts at a reasonable \$40 and account?, he said.

He also added that though generally companies take more than a couple of weeks to deliver these accounts to their clients, the experts at Adsense Account H? work hard to get these accounts to their clients within a week. He said that these delivered non-hosted accounts are fully approved so the clients can use them without worrying about any issue of such sort. Working to provide a better than the best experience to their

clients, the company has announced a thirty-day, no question asked refund policy under which the company will replace any account if ever any issue occurs with it without any fuss.

With the company getting rapid renown due to their genuine results and backed by warm reviews and feedback from their clients all around, the experts of Adsense Account HQ are highly motivated towards making their services better day by day and providing their clients a complete satisfaction every single time they buy genuine adsense account from them.
