

Professional Roofing Repair and Replacement Company in Minneapolis Offers Free Inspections

July 12, 2023

July 12, 2023 - PRESSADVANTAGE -

Mighty Dog Roofing Southwest Minneapolis, a roofing contractor based in Eden Prairie, MN, is offering free roof inspections for homes or buildings in the Southwest Minneapolis area. After the inspection, if they found that something needs to be fixed, they can provide a free estimate of a roof repair or replacement project. The company is capable of offering different kinds of services, such as: roof inspection, roof installation, gutter inspection, roof repair, gutter repair, gutter installation, attic venting, and commercial roofing. Those who would like to learn more about the roofing company and their services can visit company website.

A spokesperson for Mighty Dog Roofing Southwest Minneapolis says, "We have a top-performing roofing team renowned for their expertise in roof repair, replacement, and other related services. They have consistently delivered stunning and secure roofing solutions, providing clients with comfortable and aesthetically pleasing homes in Southwest Minneapolis Minnesota and across the nation. We are a locally owned and operated residential and commercial roofing contractor. Regardless of the home improvement roofing needs you might have, we offer a quality solution that will leave you with peace of mind and a safe home. We work with the best manufacturers in the roofing industry and home improvement to deliver a quality installation that will last for years."

The free inspection they can provide is a 25-point inspection that looks at various elements of the roof and other external parts of the home. This inspection will include: inspection of furnace caps and pipes; inspection of valleys; eaves and rakes inspection; inspection of siding; ventilation inspection; inspection of storm damage caused by hail; drip edge inspection; nail head inspection; inspection of gutter aprons; chimney inspection; gutters inspection; inspection of step and counter flashing; roof edging inspection; roof ventilation and exhaust system inspection; hip and ridge inspection; plumbing stack inspection; inspection of roof sheathing or decking; attic inspection; downspouts inspection; inspection of step counter flashing; soffits and fascia inspection; foundation drainage inspection; inspection of storm damage caused by the wind; window inspection; and air conditioning unit exterior inspection.

Mighty Dog Roofing Southwest Minneapolis also provides the Customer Vault, which sets aside a personal storage for every customer. The content or information to be kept in the storage has to do with the roof and home for every client, which can be helpful in the future in case a roofing project has to be undertaken. The content in the Customer Vault will include: monitoring of all repairs and replacements with dates, products, and services used; yearly updated drone inspection information; warranty information; photographs and videos; insurance information repair records; manufacturer information; yearly reminders for the inspection of the customer's roof; reports for the customer's realtor/insurance agent; and all insurance details for easy and convenient claims handling.

Additional information that be stored in the Customer Vault will be the information obtained during each Watchdog Maintenance inspection that the conduct every year. The roof is checked each year and is working properly and doesn't have any emerging problems that may become worse and become more serious problems in the future. Maintenance inspections are done each year to detect early and fix all problems even if they are minor. They will also compare and contrast the maintenance reports to provide an estimate as to how long the roof will last. This prepares the homeowner for the large cost of replacing a roof.

Mighty Dog Roofing Southwest Minneapolis is locally owned and operated and makes sure all of the roofing projects are undertaken by experienced and certified roofing experts. In addition, they always take an advanced and technologically-centric approach in providing their services, including drone-assisted inspections and other innovative tools. Their service area includes: Southwest Minneapolis, Eden Prairie, Chanhassen, Chaska, Edina, Hopkins, Minnetonka, Prior Lake, Savage, Shakopee, and St. Louis Park.
