

Reel Zinger Fishing Charters of Wilmington NC Announce New Fishing Boat

July 13, 2023

July 13, 2023 -
Reel Zinger Fishing Charters of Wilmington, a leading fishing charter company in Wilmington, North Carolina, have announced the addition of a new fishing charter boat to their fleet. The new boat is a 25-foot Parker deep V hull with twin outboard motors.

?We are excited to add this new vessel to our fleet,? said Captain Bryce Willis of Reel Zinger Fishing Charters. ?This boat is going to help our customers catch more fish and have even more fun on the water when they go fishing with us.?

The custom rigged boat is powered by twin 200-horsepower Yamaha engines and are operated by an experienced crew in a positive environment, to help customers have the best possible experience on their charter fishing trip. The 25-foot boat is great for inshore and offshore fishing, and the company also has an 18 foot bay boat for inshore and intercoastal fishing areas.

Reel Zinger Fishing Charters understands that there are many variables involved in sportfishing on the Carolina coast, from weather patterns and currents to winds and other variables which are constantly changing at a moment?s notice. The team at Reel Zinger Fishing Charters takes each of these variables into consideration along with the customer?s preferences to maintain a safe and fun fishing trip for all involved. They are able to target any species of fish in the Wilmington, North Carolina region and are open to specific requests from customers for species of fish they are most interested in catching on their charter trip.

With years of fishing experience in the area, the crew of Reel Zinger Fishing Charters knows all of the best fishing spots and is willing to share these treasures with their customers, depending on the weather and type of trip booked, whether they want a full day fishing charter or a shorter half day fishing charter. Customers who book a fishing charter with might find any number of common fish for the area, including Redfish, Black Drum, Bluefin and Yellowfin Tuna, as well as fish like Wahoo, Mahi Mahi, and the Spanish and King Mackerel.

The coast of North Carolina is home to some of the best fishing in the world. The warm Gulf Stream currents that flow along the coast create ideal conditions for a variety of fish species. The best time to fish off the coast of North Carolina depends on the species of fish being targeted. For marlin, tuna, and wahoo, the best time to fish is during the summer months. For inshore fishing, the best time to fish is during the spring and fall.

In addition to the new boat, Reel Zinger Fishing Charters has been adding new equipment for catching fish to their boats, including updated rods and reels and improved safety equipment such as Forward Looking Infrared or FLIR. These updates, along with new depth, sound, and fish-finding equipment will help charter customers find the fish so they can maximize their catch during their charter trip.

?We want to make sure that our customers have the opportunity to experience the best of what fishing has to offer,? said Captain Bryce. ?With the new Parker boat and our expanded equipment offerings, we are confident that we can deliver an unforgettable fishing experience.?
