Fab Timeshare Announces Availability of Marriott Vacation Club Resales Worldwide

December 10, 2015

December 10, 2015 -
Providing people with the chance to buy or resell timeshare resales Fab Timeshare, the experts in Marriott Vacation Club Timeshare resellers have announced the expansion of their Marriott Vacation Club resales service to include all worldwide destinations.

Marriott vacation club resorts have always been among the top choice of people everywhere looking for luxury timeshare accommodation and high quality facilities. However, this luxury comes at a price that sometimes goes a bit beyond the budget of many people. But with the emergence of the timeshare resale market the comforts of a Marriott Vacation Club Resort are now accessible, and why Fab Timeshare is pleased to have the opportunity to offer a Marriott Vacation Club Timeshare resale service for all of the Marriott Vacation Clubs worldwide.

Talking about their new offer, the company officials said that the main idea behind expanding their service is to provide people with an opportunity to buy Marriott Vacation Club ownerships resales not just in Europe but all over the world where Marriott has a presence. The TATOC (Timeshare Association) registered and approved timeshare resales service providers have rapidly become the top choice for Marriott Vacation Club timeshare resales in Europe and backed by the leadership of CEO Julie Bett, with 19 years of experience as Regional Director of sales for Marriott Vacation Club, the company has gained great success in the niche.

The company officials said that their success so far can be credited to their extremely efficient and reliable sales team with a combined experience of 25 years. Led by Julie Bett, the team has immense familiarity and knowledge about the Marriott Clubs. That is the reason that they have been able to sell more than ?20M worth of Marriott Vacation Club Timeshares successfully. This achievement is due to their immense knowledge about Marriott Vacation Club product and expertise in delivering a high level of customer service to both buyers and sellers alike.

An further benefit from using their resale service is that customers can use their Home Resort, Interval International Gateways or Exchange through interval International to over 2800 connected timeshare resorts.

Working with this highly efficient network of approved brokers, the company makes sure that the sellers get the best advertisement exposure and buyers get the largest timeshare resales database available.

Backed with warm reviews and feedback from their clients, Fab Timeshare has rapidly become the leading Marriott Vacation Club Timeshare resales expert within Europe. With their services offered either directly or via their newly designed website anybody interested in timeshare resales now have a better chance of getting quick and easy access to buy or sell valuable Marriott Vacation Club Timeshare resales across the globe.
