# Mighty Dog Roofing of Lewisville Provides Drone-Assisted Inspections

*July 18, 2023*

July 18, 2023 -

Mighty Dog Roofing of Lewisville, a roofing contractor based in Carrollton, TX, wants to emphasize that they can provide drone-assisted inspections of roofs and other external parts of the home. Homeowners and other property owners in Carrollton, Lewisville, and surrounding areas can request for a free inspection if they are contemplating the possibility of a roofing project. The company offers roof inspection, gutter inspection, roof repair, roof installation, gutter installation, attic venting, gutter repair, and commercial roofing. Those who are interested in the various services that they can provide can visit company website.

A spokesperson for Mighty Dog Roofing of Lewisville says, ?Mighty Dog of Lewisville Texas knows the importance of trust and accuracy when dealing with something as important as your home. Our drone technology gives you verifiable and credible inspection information from the smart intelligence analytics it gives your home's professional inspections team.?

The spokesperson adds, ?By setting the baseline health of your roof with our complete and thorough inspection, we keep your roofing service records and measurements, along with the history of any roofing repairs and replacement, locked away in your customer vault. This information will be unlocked every year so

we can compare your last inspection with the current condition of your Lewisville Texas property. This is great information your insurance company will love if a claim is ever needed to be filed.?

The Drone Superscan inspection will look at 25 elements of the roof and other outer parts of the home. These will include: inspection of valleys; eaves and rakes inspection; inspection of siding; inspection of furnace caps and pipes; inspection of storm damage caused by hail; drip edge inspection; ventilation inspection; inspection of gutter aprons; chimney inspection; nail head inspection; inspection of step and counter flashing; roof edging inspection; gutters inspection; hip and ridge inspection; plumbing stack inspection; roof ventilation and exhaust system inspection; attic inspection; downspouts inspection; inspection of roof sheathing or decking; soffits and fascia inspection; foundation drainage inspection; inspection of step counter flashing; window inspection; air conditioning unit exterior inspection; and inspection of storm damage caused by the wind.

To ensure that the information obtained by the inspection can be easily accessed and referred to when needed, Mighty Dog Roofing provides another technology-assisted service, which is known as the Customer Vault. It sets aside personal storage for each customer and the inspection reports and other relevant content, such as photos, can be stored for easy reference in the future. The information can also be used for insurance claims. Furthermore, the information obtained from the regular maintenance checks will also be stored in the Customer Vault for each particular customer.

Mighty Dog Roofing of Lewisville also provides the Watchdog Maintenance service, which is composed of yearly inspections and year after year comparisons. These maintenance records can valuable for insurance claims and can be shared with insurance companies. The information will also be important for realtors when they sell the house. Most of all, it can help detect any emerging issues with the roof to prevent them from becoming more serious problems in the future. The yearly comparisons can also allow them to provide a fairly accurate forecast of how long the roof can last. This allows the homeowner to be prepared for the large expense of roof replacement.

Founded in 2002 by Babar Munir, Mighty Dog Roofing of Lewisville is a family-operated business serving clients in his hometown and neighboring areas. He is passionate about serving his community in Carrollton and he has come to love living in Texas because it provides the appropriate balance between convenience and safety. He says, ?We love being in Lewisville Texas, and helping any way we can. From providing roofs to veterans and supporting our local Humane Society to participating in Habitat for Humanity efforts, Mighty Dog of Lewisville Texas wants to make a difference.? Their service area includes: Lewisville, Carrollton, Colleyville, Flower Mound, Fort Worth, Grapevine, Keller, North Richland Hills, Roanoke, and Southlake, Texas.
