

St. Johns Eye Associates Welcomes Dr. Chelsea Brafman and Dr. Austin Fay

August 01, 2023

Saint Augustine, Florida - August 01, 2023 -

St. Augustine, FL, 8/1/23 ? St. Johns Eye Associates has announced the addition of two skilled and accomplished optometrists, Chelsea Brafman, O.D., and Austin Fay, O.D., to their team of eye care professionals. With their expertise and commitment to patient care, Dr. Brafman and Dr. Fay will enhance the level of exceptional service that St. Johns Eye Associates is committed to providing.

?I am thrilled to welcome Dr. Brafman and Dr. Fay to our practice,? said Dr. Diane Kapadia, an optometrist at St. Johns Eye Associates. ?Their exceptional skills and compassionate approach align perfectly with our commitment to delivering comprehensive and personalized eye care to our patients. I am confident that their expertise will further elevate the level of service we provide at St. Johns Eye Associates."

Dr. Chelsea Brafman will join the practice's World Golf Village and St. Augustine offices. She earned her Doctor of Optometry degree from Nova Southeastern University College of Optometry and has a strong passion for helping her community see more clearly. Dr. Brafman brings a wealth of modern knowledge in dry eye disease, myopia control, specialty contact lenses, and the management of ocular diseases.

"I am delighted to join the exceptional team at St. Johns Eye Associates," Dr. Brafman said. "I love that the center promotes full-scope optometric care and treats patients using the most up-to-date technology and management techniques. I look forward to serving the St. Augustine and World Golf Village communities and providing comprehensive eye care services."

Dr. Austin Fay is a multilingual optometrist who will be starting at SJEA's St. Augustine, Nocatee, and San Marco offices. Dr. Fay completed his Doctor of Optometry degree at the Indiana University School of Optometry in Bloomington, Indiana, bringing with him a passion for providing excellent care and building meaningful relationships with patients.

"I am honored to be part of St. Johns Eye Associates and to work alongside a dedicated team of experts. My goal as an optometrist is to make a difference in my patients' lives, and St. Johns Eye Associates will allow me to do this with their patient-focused atmosphere and variety of services, like dry eye and myopia management. Vision is so crucial to our day-to-day lives, and I can't wait to get to know my new patients and build long-term relationships with each of them!"

St. Johns Eye Associates is known for its commitment to excellence in eye care. With state-of-the-art technology and an experienced team of professionals, the practice offers a wide range of services, including routine eye examinations, treatment of eye diseases, myopia management, and an extensive selection of eyewear.

Dr. Brafman will begin accepting patients on August 1st, 2023, at St. Johns Eye Associates' World Golf Village and St. Augustine offices. Dr. Fay will also start receiving patients at the Nocatee, St. Augustine, and San Marco offices on August 1st, 2023.
