July 14, 2023 - PRESSADVANTAGE -

Mighty Dog Roofing North Orlando, a roofing contractor based in Altamonte Springs, FL, is offering free estimates for roofing projects in the North Orlando area. To be able to provide an estimate, they will first visit the home or property and perform an inspection of 25 elements of the roof and other external parts of the home with the use of drone technology. The company provides various kinds of services, including: roof inspection, roof repair, roof installation, gutter inspection, attic venting, gutter repair, gutter installation, and commercial roofing. Those who are interested in the roofing company and their various services can visit company website.

A spokesperson for Mighty Dog Roofing North Orlando says, "We are a locally owned and operated residential and commercial roofing contractor. Regardless of the home improvement roofing needs you might have, we offer a quality solution that will leave you with peace of mind and a safe home. We work with the best manufacturers in the roofing industry and home improvement to deliver a quality installation that will last for years. You can request for a free estimate through our website."

Mighty Dog Roofing North Orlando provides a Drone Sky View 25-point inspection of the roofing and other

parts of the home. These include: eaves and rakes inspection; air conditioning unit exterior inspection; inspection of valleys; inspection of storm damage caused by hail; inspection of siding; ventilation inspection; inspection of gutter aprons; drip edge inspection; nail head inspection; inspection of skylights; inspection of step and counter flashing; chimney inspection; gutters inspection; hip and ridge inspection; roof edging inspection; roof ventilation and exhaust system inspection; attic inspection; plumbing stack inspection; inspection of roof sheathing or decking; soffits and fascia inspection; downspouts inspection; inspection of step counter flashing; window inspection; foundation drainage inspection; inspection of storm damage caused by the wind; and inspection of furnace caps and pipes.

Another advanced home improvement technology that they offer for the convenience of their clients is the Mighty Dog Visualizer, which can help the homeowner in customizing the appearance of their property by simply using their smartphone. This is a mobile app that allows the user to view the home exterior using various roofing materials and color options, allowing the user to choose the material or color that is most suitable according to their tastes and preferences.

Mighty Dog Roofing North Orlando also offers the Watchdog Maintenance service. This ensures the roof is checked every year and is functioning that way it should be and doesn't have any emerging issues that may become worse and turn into serious issues in the future. Maintenance inspections are done each year to detect and fix any minor defects that have been detected. They will also compare and contrast the maintenance reports to forecast how long the roof may last, which enables the homeowner to be prepared for the huge investment needed for replacing a roof with a new one.

Mighty Dog Roofing North Orlando also offers the Customer Vault, which offers a personal storage for each of their customers. The content of the storage has to do with the roof and home of each client that they can conveniently use in the future. The content in the Customer Vault will include: warranty information; monitoring of all repairs and replacements with dates, products, and services used; yearly updated drone inspection information; manufacturer information; photographs and videos; insurance information repair records; all insurance details for easy and convenient claims handling; yearly reminders for the inspection of the customer's roof; and reports for the customer's realtor/insurance agent.

Mighty Dog Roofing North Orlando is locally owned and operated and assures clients that all of the roofing projects they undertake are manned by experienced and certified experts. Furthermore, they always take an advanced and technologically-centric approach to roofing, such as drone-assisted inspections and other innovative tools. Their service area includes: North Orlando, Altamonte Springs, Casselberry, Debary, Deltona, Lake Mary, Longwood, Maitland, Orange City, and Winter Park.
