

## **Crowne Atlantic Business Brokers Receives Prestigious Awards from the International Business Brokers Association**

*July 10, 2023*

July 10, 2023 - PRESSADVANTAGE -

Crowne Atlantic Business Brokers, a leading business brokerage firm based in Orlando, Florida, is proud to announce that partner Lee Ossin has been honored with the prestigious Platinum Chairman's Circle Award and the Dealmaker Award by the International Business Brokers Association (IBBA) at its 2023 Annual Conference.

The Platinum Chairman's Circle Award is a recognition of Ossin's exceptional performance in closing business deals amounting to \$10 million and above in total purchase price during the 2022 calendar year. It is bestowed upon exceptional professionals who consistently demonstrate unparalleled skill, expertise, and success in facilitating business sales.

The Dealmaker Award, on the other hand, highlights his remarkable achievement in selling at least ten qualified businesses during the same period. This accolade recognizes his ability to navigate complex

transactions, provide valuable guidance to clients, and forge mutually beneficial agreements. Ossin's prowess in dealmaking has set him apart as a trusted advisor and a force to be reckoned with in the realm of business brokering.

Lee's expertise lies in service-based businesses such as roofing, construction, plumbing, air conditioning, electrical, and other home services businesses. He also specializes in construction-type businesses and manufacturing, along with larger restaurants and bars.

As the recipient of both the Platinum Chairman's Circle Award and the Dealmaker Award, Lee has solidified his reputation as one of the nation's most accomplished business brokers. His unparalleled expertise, extensive industry knowledge, and unwavering dedication have consistently enabled him to exceed clients' expectations and deliver outstanding results.

"IBBA's awards program this year saw more than 1,800 deal submissions, making it the largest group of award winners yet," said Kylene Golubski, IBBA Executive Director. "The awards are a reflection of the hard work, perseverance, and excellence in our profession, and the recipients should be extremely proud of their accomplishments."

Lee Ossin and Jackie Ossin Hirsch, partners at Crowne Atlantic, are consistently among the top-performing agents in Florida. Lee Ossin and Jackie Hirsch also again received the Business Brokers of Florida 2022 Award for Top 50 Brokers in the State of Florida based on sales volume. Their dedication to their clients, attention to detail, and ability to deliver results have earned them a reputation for excellence in the industry.

As a collective force, they combine their expertise, industry insights, and unwavering commitment to client satisfaction to achieve exceptional results. Through their dedication and teamwork, Crowne Atlantic Business Brokers has emerged as a leader in its field, consistently raising the bar for excellence.

Crowne Atlantic's commitment to its clients extends beyond the transaction, with a focus on building strong, lasting relationships. The firm's success is reflected in the testimonials of its clients, who praise the team's hard work, professionalism, and ability to deliver results.

#### About Crowne Atlantic Business Brokers

Crowne Atlantic Business Brokers, a family-operated firm, has been at the forefront of business brokerage in Florida and the Southeastern United States for over two decades. The firm prides itself on its unique approach to packaging and promoting businesses, which has resulted in hundreds of successful transactions.

Lee Ossin and Jackie Hirsch are consistently amongst the top-performing agents in Florida, according to

multiple business broker associations. Their reputation has expanded over the years because of hard work and ability to get businesses sold.
